## Synopsis

Peekaboo! What's hiding behind those paws? Why, it's something woolly, something fluffy, something fuzzy, and something squeaky . . . a colorful menagerie of playful animals, each eager to be covered with kisses. With flaps to lift, a squeaker to press, and a peek-at-yourself mirror at the end, this touchable, smoochable new book from the popular creator of *Animal Kisses* and *Baby Animal Kisses* is loaded with fun, surprises, and, of course, plenty of kisses.

Little ones will enjoy the sturdy paper-over-board offering, *Peekaboo Kisses* by Barney Saltzberg. In the opening, a kitten covers its eyes ("Peekaboo! I see..."); readers lift the flap to find "Fluffy kitten kisses." Throughout, fabric patches in bold colors mimic the fur of each animal. Closing pages include a squeaker and mirror ("Peekaboo! I see.../ YOU!"). Ages 6mos.-4 yrs. Copyright 2002 Cahners Business Information, Inc.

BARNEY SALTZBERG is the author-illustrator of the successful *Kisses* series, *Peekaboo*, *Blueberry!*, *Hi, Blueberry!*, and *Good Egg (Workman)*, as well as various picture books. He also writes and performs music for children. [www.barneysaltzberg.com](http://www.barneysaltzberg.com)

My 1 year old daughter loves this book! She loves giving kisses. She opens each flap and kisses

each of the fuzzy animals. My 3 year old has read it to her too. It's so cute. The book seems to be well-made. It's both a lift-the-flap and touch-and-feel book. The first few animals have fuzzy fur, then there is a mouse page that squeaks and then a mirror on the last page (peek-a-boo, I see you).

This book is just so cute. There are a lot of touch and feel books out there, but this one is adorable & makes our daughter laugh every time.

We had this book for my daughter and now I bought it again so my son can enjoy it. Always a favorite in the toddler circle.

Very cute book, 11month old grandson loves it!

Just a simple, sweet book that will make your kid smile! My only complaint is that the squeaker on the last page is hard for kids to push, and ours broke after a few weeks of "squeaks!" Finally, if you have a rambunctious child, like my 2-year old, you might find this one doesn't quite hold up to, shall we say, "intense use."

Was a gift they really liked it

7 month old LOVES this book and the flaps were pretty easy for him to learn how to open. He now thinks he needs to kiss animals if he sees them in pictures or sees stuffed animals :)

granddaughter loved it!
