Customer Reviews

This is a great reference that explains all the little details you would need to know to decide where to go and what to do. I ordered it for my next trip and was so pleased I ordered a second one for my niece to entice her to visit.

This book is wonderful. It is really helping me plan my trip and lots of great color pics!

A good example of why certain genres of journalism, esp. travel writing, are dinosaurs in the online era. Would have been more informative to separate San Juan from the islands.

We checked this book out from our local library and liked it so much we wanted our own. We will be able to take it with us when we travel to this area.

Nice book written from the perspective and experience of someone who has been to Puerto Rico several times. I liked the insider look at everything from food to hotels to tours. Great!

Excellent guide to this area. Great history lesson in the first chapter which gives me a greater understanding and appreciation.

We just returned from a week sailing in the Spanish Virgin Islands (Puerto Rico), and we found this guide to be accurate and up to date. It made us aware of several places and historical sites that we would have overlooked along the way. Would definitely recommend.

We spent a week in San Juan & on Vieques Island prior to a week long southern Caribbean cruise, this guide was extremely helpful.
