ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.

Really a beautiful map, purchased for our upcoming trip. My only issue with it is that it is HUGE, and that may be a problem while traveling, since I will not have my dining room table handy to spread it out!

An essential accompaniment for an automobile excursion in a fascinating island.

SURPRISINGLY DETAILED
