"Footprints" Poem Printed Blue Poly-Canvas Bible / Book Cover (Large)

Customer Reviews

My mom loves her Bible case. Got the large because she has a larger Bible, but these run a bit big. I think we could've used a medium.

This cover is actually really beautiful! I believe I got the medium size. It fit my bible perfectly! However it was not what I expected. I kind of expected the cover to be a little more vibrant, like a lighter blue and for the picture to be a little more vibrant. It is a little dull and dark however it is beautiful! I am quite pleased with my purchase.

I really like it, It is big enough to hold my bible and my seven church ages book. it is a medium sized bible and the sca book is about the same size.

Item is nice, but the large is MUCH bigger than described - a good inch. This makes my bible move around haphazardly and the case look deflated and sloppy.

I was anxious to receive my new Bible cover as it was a Christmas gift from my friend. I ordered the medium because my Bible is quite small. I was disappointed that it was still too big for my smaller Bible. It is very nice and a pretty cover but sadly I have to return it. My Bible just floats around in it. I do not see any cover with smaller dimensions.

Very nice material and very nice fabric

Yes I love it! I ordered a large which is too big for my bible but i'll work it out! I love the poem footprints; it is so powerful.

A gift for my niece and she loves it. Nice and roomy so she can put in a small notebook and pens.
