Customer Reviews

This book gives hope that people are good. When the country, please stop their vacation to help these four sweethearts, I cried. I love bc animals and have had many rescues. My Bischon Sammy was a Puppy Mill rescue. I inherited him from a friend when his mom died. My Aussie Shepherd had recently passed too so my friend thought why not. Sammy is nearly ten. I have had him two years but can still see the problems of being a Puppy Mill dog. He is still vigilant, especially over his food. He wants, to be with me all the time. I am so pleased for the happy endings for these four dogs.

I once read a book and it talked about the Bella Coola 4 so i looked into it and found this wonderful read. Only a short story but because it is based on fact and it gives so much detail as to the outcome of the 4 dogs, it was a complete and very very satisfying read. I really enjoyed it

Anyone who would help abandoned dogs like the Baird's did deserve a medal. If we all had such compassion for animals the world will be a better place..

heart warming story

Thank you for sharing this beautiful story. Too often we hear only terrible stories about abused or abandoned dogs. This is a heart warming story full of hope and love.

This is a very good story.

As a dog lover, with a rescue dog in our family I enjoyed the good hearted people who saved this family of dogs.

Beautiful outcome
