The Color Of Justice: Race, Ethnicity, And Crime In America

Synopsis

Comprehensive and balanced, *THE COLOR OF JUSTICE: RACE, ETHNICITY, AND CRIME IN AMERICA* is the definitive introduction to current research and theories of racial and ethnic discrimination within America's criminal justice system. The sixth edition covers the best and the most recent research on patterns of criminal behavior and victimization, immigration and crime, drug use, police practices, court processing and sentencing, unconscious bias, the death penalty, and correctional programs, giving students the facts and theoretical foundation they need to make their own informed decisions about discrimination within the system. Uniquely unbiased, *THE COLOR OF JUSTICE* makes every effort to incorporate discussion of all major race groups found in the United States. What's more, the MindTap that accompanies this text helps students practice and master techniques and key concepts while engaging them with, career-based decision-making scenarios, visual summaries, and more.

She has published extensively on prosecutors' charging decisions in sexual assault cases; the effect of race, ethnicity, and gender on sentencing decisions; sentencing of drug offenders; and the deterrent effect of imprisonment. She is currently conducting a National Institute of Justice-funded study of police and prosecutorial decision making in sexual assault cases in Los Angeles. Miriam DeLone is Professor of Criminal Justice at Fayetteville State University in North Carolina. Her research interests include political economy and social control; race, ethnicity, gender, and sentencing; and corrections. Her teaching interests are in the areas of minorities and crime, criminology, corrections, law and social control, the nature of crime, and the administration of justice. She is currently writing in the areas of media and crime and crime prevention through a public health perspective.

Well written without too much fluff. Cover's subject matter that is being discussed in class well, however, it needs to be updated...maybe next semester/quarter.

This book was falling apart when I got it but other than that it was fine

Needed this book for a college course. Easy read and lots of information.

Needed it for class and it came new. Definitely happy with it.

Excellent book! Well worth the read!

Just as described! Shipping was fast!

Great for school

Good quality.
