Callie's Biscuits And Southern Traditions: Heirloom Recipes From Our Family Kitchen

Synopsis

The popular owner-entrepreneur of Callie's Biscuits reveals her modern approach to traditional Southern cooking, sharing charming stories and fabulous, accessible recipes in a Southern-style *Make the Bread, Buy the Butter*. Carrie Morey started her company, Callie's Charleston Biscuits, with a simple goal: She wanted to make her mother Callie's delicious biscuits "unbelievably tender, buttery creations" accessible across the country. Carrie's handmade biscuits combine unique, brilliant flavors "sharp cheddar with fresh chives, cracked black pepper with cream cheese and green onions, and cinnamon biscuits so buttery they melt in your mouth. The biscuits are an iconic Southern staple, but they are just the beginning. Now Carrie Morey shares her modern approach to traditional Southern cooking in more than one hundred recipes that pair classic Lowcountry fare with surprising twists, for incredible results. Carrie guides you through the foundational techniques of Southern cooking to reveal how she developed her new takes on favorite heritage dishes and how to take the fuss and huge time investment out of traditional preparations. She shares skillet recipes passed down through generations, including Lemon Zest Cast-Iron Fried Shrimp, Macaroni Pie, and Cast-Iron Herb Lamb Chops. She gives roasting and slow-cooking techniques for Beef Stew with Herbed Sour Cream, Spicy Black-Eyed Pea Salad, and Roasted Pimento Cheese Chicken. Her DILLicious Cucumber Sandwiches, BBQ Chicken Salad Biscuits, Fiery Pimento Cheese Deviled Eggs, and Summer Crab Salad will make any picnic or casual get-together a true Southern affair. And her desserts are to die for: Mama's Sour Cream Banana Pudding, Alex's Chocolate Chess Pie (so good that Carrie credits the pie for sparking her and her husband's whirlwind romance), and Blueberry and Peach Cobbler finish your meal on the perfect sweet note. Carrie also shares her family stories behind each recipe "growing up in Charleston, learning to cook from great Southern matriarchs, and founding and growing her business. Fill your kitchen with the comforting aroma of home-cooked goodness with >.

“Opening the oven on culinary secrets” full of charming asides, cooking tips, and always a story | A lifetime of dishes that have been the binding agent of one family, now shared with others.”

Carrie Morey, daughter of Callie White, founded Callie’s Charleston Biscuits in 2005 with the goal of making her mother’s delicious biscuits accessible across the country. Touted by the Today show, Saveur, Food & Wine, Southern Living, The New York Times, and Oprah, her biscuits and pimento cheese collection are sold at high-end retail stores all over the country. Chosen as one of Martha Stewart’s “Dreamers into Doers” in 2008, Carrie has been a guest lecturer on entrepreneurship at the College of Charleston School of Business for more than five years.

I bought this book because of her black pepper biscuits, and then I discovered from another reviewer that the amount of black pepper was wrong in the book. It should read TEASPOON not TABLESPOON. Be warned before you make the recipe. I thought the biscuits were delicious and worth the price of the book just to have the recipe.

I have always had trouble making tasty, fluffy biscuits before now. The Callie’s buttermilk biscuit recipe is easy and foolproof. I even froze a batch and used them a week later for cobbler. They were just as good. The rest of the recipes are a mix of family meals and celebration sized menus. The layout is well done, pictures useful, and text easy to read. Looking forward to more from Carrie Morey!

Whether you are a seasoned old cook (like me) or a new one, this is a great book to use for traditional foods with a new twist. Callie brings the best of both to her recipes. They are the old favorites with her special touch to them. Great for new and old. I gave this to my 17 yo dgd and she

was tickled pink. Now I plan to order one for myself. Have to get a new cast iron frypan too as this is a necessary item for most of these goodies. If you like food, and if you want to learn to make new things, give this a try for sure! Arrived in plenty of time also. Great service!

A nice cookbook with good ideas, I'm not much of a baker so an experienced pro may feel differently.

This cook book is FANTASTIC! It is full of fun southern recipes!

Very nice focus on Callie recipes, ideas.

The biscuit recipes alone are worth the price of the book, but Miss Callie has a conversational, story-telling way about herself that really draws you in. This is a cookbook with a lot of good recipes, and some thought-provoking comments not normally found in a cookbook. This lady obviously doesn't take herself too seriously, but it's also obvious she takes her food very seriously - I like that. I bought this book for the biscuit recipes and my first batch was actually credible. Not all southern women are born biscuit makers or have relatives they can learn from so you gotta do what you gotta do -- this book is my cheat sheet and I plan on using it a lot.

Yummy, yummy, yummy!! Love that the recipes are heirloom. Matched some recipes up to my grandmother's missing recipes, where I always wondered what was her special ingredients and technique.
