Look For The Silver Lining

Synopsis

No one is spared from the heartache of war. As the Blitz destroys lives in Liverpool, three sisters are forced to make difficult choices to protect themselves and those they love. When Nellie Callaghan marries her love in secret, it causes a rift in the family. But when the bombs drop on Liverpool, grievances must be put aside as the people of the city are brought to despair. Nellie's mother is killed and her sister Lottie is injured, while her other sister Babs runs away to join the WLA. It falls to Nellie to care for the family. Despite the suffering that the war brings, it is trouble on the homefront that leads to further hardship for each of the sisters. Before the war is over, each of the Callaghans will have faced heartbreak and sacrifice. But amongst the sadness they will find some joy, and never giving up hope for a brighter future.

Customer Reviews

For this family to find a silver lining during WW2. Though they were not in London, their mother and aunt are killed by bombs. The three sisters carried on, struggling with shortages, an overbearing father, and losing husbands and friends. A good tale showing us the mores and manners of the

times with the horrors of this despicable war.

A good plot with interesting twists here and there. But towards the end all the loose ends got tied up a little too conveniently leading to a trite ending

Nellie, Lottie, and Babs all find their own happiness in their own way. I really enjoyed their stories. I hope others do too!

Loved this book, kept my interest from the very beginning,

A quick but fun read! More about the people less about history, but the affect WW2 had on them. Very interesting and very probable!

A very good read

Good book but the ending just dropped out of the sky and left you wanting.

Good story about sisters and family dynamics.
