Adventures In Odyssey: Friends, Family And Countrymen (39)

Synopsis

Things never slow down around Odyssey. Alex is hoping to survive a long weekend with his grandparents, but things get interesting when he sees his grandfather dig up a strange wooden box in the woods. More adventure unfolds as Marvin Washington takes his first trip back in time on the Imagination Station and lands in the middle of the American Revolutionary War. What are all the mysteries surrounding Agnes' misplaced memory and the odd change in Aubrey's old friend? Will Colby and Mitch ever survive the Novacom aftermath? Will Connie lose Mitch again because of the FBI? Find out what's going on with everyone in these 12 exciting episodes! Volume 39 contains the following stories (and themes): Between You and Me (putting God first) Aubrey's Bathrobe (using our abilities to serve God) The Popsicle Kid (uniqueness) The Toy Man (sacrifice) For Trying Out Loud (finding your place) The Benefit of the Doubt (discrimination) The American Revolution, 1 & 2 (American history) Obedience (obedience) Relatively Annoying (getting along with others) The Pact, 1 & 2 (living with an eternal purpose)

Focus on the Family began in 1977 in response to Dr. James Dobson's increasing concern for the American family. From a two-room suite in Arcadia, California, Dr. Dobson began with radio-a 25-minute weekly program heard only on a few dozen stations. Focus on the Family has since

become an international organization with more than 74 different ministries requiring nearly 1,300 employees. On the now-daily broadcast heard on over 6,000 facilities worldwide, Dr. Dobson still explores family issues, usually with one or more recognized experts as guests. Dr. Dobson's method attempts to "turn hearts toward home" by reasonable, biblical, and empirical insights so people will be able to discover the founder of homes and the creator of families: Jesus Christ.

This is amazing family time cd, everyone would enjoy and love it.

Great stories!! Adventures in Odyssey is always the best!!!

Kids love it.

This one doesn't have anything intense or scary in it! This Album is highly recommended and is very enjoyable. Don't miss this one!

With the Novacom situation now behind them, the residence of Odyssey are eager to get back to their normal lives. Not that normal ever describes anything they do. Connie and Mitch are trying to make up for lost time in their relationship, but what's the cost to others? And Mitch is offered a job that he quite possibly can't refuse. We meet the Washingtons, who are being set up to become the next major family in Odyssey (and I can't wait). We get to experience some of the early days of the Revolutionary War from a slightly different perspective thanks to a newly designed Imagination Station. And Tom's wife is getting all riled up about something, but she can't remember what it is. Meanwhile, Aubrey's friend Seth has moved to Odyssey and we discover that being different can have advantages. While I enjoyed the Novacom storyline, it was nice to get back to a calmer Odyssey. And, frankly, some of the themes of the episodes were a challenge to me. The stories are fun and kids will love listening to them over and over again. With over 500 episodes under their belt, it's nice to see that there seems to be plenty of life left in the show. If they keep coming up with great stuff like this, I'll be enjoying the show for many more years to come.

It's a great set, probably recommend it most to those familiar with Adventures in Odyssey. Still very enjoyable if you don't yet know the characters, but a few episodes are easier to follow if you know what has already happened. Best episodes were "The Pact I and II", "Relatively Annoying" and "The Benefit of The Doubt". For in depth information on individual episodes, this album, or others like it go
