## Customer Reviews

Darn.....wish I had not bought this. Each question has the answer right next to it, so not good for the reader. OK if you are reading to someone else to answer. I have the Ultimate All American Quizz and it is multiple choice and you don't get the answer until you answer the question. Much better format.

Some of this is seriously abnormal stuff for people to know. I find this book of trivia un-relatable.

This product is okay, there were some questionable trivia questions (not sure they checked their facts). I would pass on this product.

Fun questions for question sessions with friends and family!

Nice array of facts laid out by category. Nice array of facts laid out by category. Nice array of facts laid out by category.

Very interesting, but its answer leaves the reader with more questions.

I like it
