Twist And Shout (Mermaid Tales)

Synopsis

In this sparkling Mermaid Tales adventure, Echo hurts her tail when she falls off of a sea horseâright before the big Tail Flippers competition! Will she still be able to flip her way to a trophy? Echo loves dancing in the Trident Academy Tail Flippers. When sheâs not dancing, she also loves riding sea horses, so when a classmate offers to let her ride their newest horse, Pinky, she doesnât think twice! But when a slithery eel darts in front of Pinky, Echo gets knocked off and hits a rock. Her entire body achesâfrom scales to tailâso she heads to the doctor. Dr. Weedy tells Echo that moving her tail is absolutely out of the question. Not only can Echo not swim, but even worse, she canât compete in the Poseidon Tail Flippers team competition! And Echoâs their star flipper. Without Echoâs tricks and flips, Trident Cityâs team doesnât stand a chance. Echoâs friends find a pair of human crutches, which help her get around without the use of her tail. But that doesnât solve the Tail Flipping problem! Will Echo find a way to help her team win from the sidelines?

Twist and Shout 2> GREAT JOB ON YOUR KELP reports,â • Mrs. Karp told her class of third graders. â œIâ™m so glad you enjoyed â™My Side of the Ocean.â™ It is one of my favorite stories.â • Echo tried to pay attention to the lesson, but she couldnâ™t keep her pink tail from tapping the ocean floor. She couldnâ™t wait until school was over! When the final conch shell sounded, Echo soared out of her seat and down the hallway of Trident Academy. Her best friend, Shelly, followed Echo and patted her shoulder. â œDo you have Tail Flippers practice today, or can you come over?â • Echo loved being part of the Tail Flippers dance team, and since the big Poseidon City Dance Competition was coming up next week, Coach Barnacle had been making them practice almost every day after school. Echoâ™s fins ached from all the hard work. Echo had been working especially hard because she had a big job to do. She was going to perform a very difficult flip called a Scale Dropper. And she was going to do it from the top of a mer-pyramid formed by the other team members! It would be their big finale. Normally, Echo would have spent her free afternoon at Shellyâ™s home, especially since Shelly lived right above the Trident City People Museum. Echo loved learning about the human world. But there was something else she liked just as much: sea horses! Echo shook her head. â œWe donâ™t have practice today, but Rocky invited me to ride his sea horse this afternoon.â • Shelly smiled. â œThat sounds fun.â • Just then, Coach Barnacle swam by the mergirls. â œWell, if it isnâ™t our star Tail Flipper herself! Tell me, Echo, how is your Scale Dropper coming along?â • â œFin-tastic!â • Echo told him. â œIâ™ve even been waking up early to practice it every day before breakfast!â • â œMervelous!â • Coach Barnacle boomed. â œAfter all, youâ™re our secret weapon! If you keep practicing, I think our team has a great chance of winning first place.â • Coach Barnacle zoomed down the hall just as Rocky burst out of their classroom. He took one look at Echo and grinned. â œShake your tail! Itâ™s sea horse time!â • Echo squealed in delight. She waved good-bye to Shelly and sped out of Trident Academy after Rocky. As they swam past the Big Rock CafÃ©, Echoâ™s mouth watered at the smell of boxfish burgers. Sheâ™d love to have a snack, but she wanted to ride Pinky more. Pinky was one of Rockyâ™s two sea horses. Zollie was his first sea horse. Rockyâ™s uncle had rescued Zollie from a humanâ™s net. Pinky was Zollieâ™s mate, whoâ™d come to stay at Rockyâ™s house too. Echo couldnâ™t help being a tiny bit jealous of Rocky. After all, he had two sea horses and she didnâ™t have any. But at least Rocky was nice enough to let Echo ride Pinky. The two merkids swam around Rockyâ™s large home and a storage shell to find the two sea horses feeding on

small shrimp. When the pets saw Echo and Rocky, they raced over to see them. Echo laughed and hugged Pinky while Rocky petted Zollie's head. Soon the merkids were riding on the backs of Pinky and Zollie. "This is shelltacular!" Rocky yelled. He leaned down over Zollie's orange neck, urging him to go faster. Echo did the same to Pinky and yelled, "Giddyup!" This is what it must be like to be a sailfish, Echo thought. She loved the feeling of water whipping through her curly black hair. Pinky sprinted through MerPark. Echo waved when she passed Pearl, a girl from her class. Pearl frowned as the two sea horses charged past. "Echo Reef! You'd better slow that thing down!" Pearl snapped. Echo laughed and shook her head at Pearl. "No wavy way!" Echo yelled. "This is too much fun!" But just as Echo turned her head, something horrible happened!

I liked it because it talked about mermaids and school. Those are my favorite things. I'm going to read more.
