Customer Reviews

Erin Hunter is inspired by a love of animals and a fascination with the ferocity of the natural world. As well as having great respect for nature in all its forms, Erin enjoys creating rich, mythical explanations for animal behavior. She is the author of the Warriors, Seekers, Survivors, and Bravelands series. She lives in the UK. Visit her online at www.warriorcats.com.

All of these books have been wonderful. I buy them for my granddaughter and have to read them myself. If anyone has read the Dragonriders of Pern series, they will love these books.

My Grandson loves this series of books by Erin Hunter.

This series is excellent in telling the beginning of the entire clan series. The grandsons cannot read enough of these books.

This set has books 1,2,4,4,5,6. You read that right. 2 of Book #4. Sealed. So frustrating.

My daughters favorite book series

Congrats Erin... You have done it again when it comes to an amazing story, and fetching characters. I'm going to read Vision of Shadows next, and I expect a lot, as I always have. Thank you Erin Hunter... I hope you still keep writing! I probably shouldn't forget to say that it arrived pretty quick after ordering. :p

Great read for kids. My daughter loves these books and can't put them down. She is going through 2 of them a week sometimes.

A follow up reward for good grades. Besides we can disappoint all her friends who are also hooked on the books and are constantly swapping them with her.
