SeaWorld, Discovery Cove & Aquatica: Orlando's Salute To The Seas

Synopsis

The family-friendly SeaWorld parks in Orlando, Florida, and Busch Gardens, their sister park in nearby Tampa, combine outstanding animal attractions with thrill-a-minute rides and colorful shows that are every bit as entertaining as those you'll find in the nearby Disney and Universal theme parks. In this, the only guidebook devoted exclusively to the SeaWorld/Busch parks, authors Monaghan and Kubersky share their inside knowledge of rides, attractions, restaurants, and shopping venues along with tips for getting the best value for your time and money. They also devote a chapter to the hotels near SeaWorld, including several luxury options.

Customer Reviews

Will without a doubt help you to get the most out of your vacation, especially if you are visiting for the first time. (Sam Carta Orlando Theme Park News, April 16, 2012) If a visit to SeaWorld is in your future, you want this book. It's got everything. Descriptions, menus, prices, tips, tricks, and things to avoid. (Kevin Yee Ultimate Orlando.com, May 9, 2012) I love the little ratings system of stars [for attractions], along with a quick explanation of type, time and Kelly says. | Because my kids are so far apart in age and so different in personality, this is extremely helpful. (Heidi Strawser, blogger Inside Heidi's Head, 12/8/14)

A whole NEW WAY to experience the magic of Orlando Swim with the dolphins. Dive into a shark tank. Hand feed exotic birds. Go on safari. Pet a giraffe. Meet a beluga whale. Snorkle past

barracuda. And top it off with some of America's most awesome roller coasters. Then sip fine wine in some of Orlando's best restaurants and pamper yourself at some of its poshest resorts. This is your luxury guide to great theme parks that celebrate the wonders of Nature and the great resorts nearby: SeaWorld Busch Gardens Tampa Discovery Cove Adventure Island Aquatica

The information is concise and from 2012 publication date. If you want tons of detail then this is only a start, but we found the concise nature of this guide helpful and efficient. It told us (the vast majority of) what we needed to know so we spent less time in a guidebook and more time in parks. We were pleasantly surprised to find this guide included a chapter on Busch Gardens Tampa - we would have bought it sooner had we known. We had a great vacation that included Sea World, Discovery Cove, Aquatica, and Busch Gardens Tampa; and this guide helped us to feel that we got the maximum value/fun out of our vacation. It's not the only information we used - it's 5-stars for what it is (which was published in 2012), so supplement this with on-line information for additional details and updates. I don't recommend this book as your only source of information - by its very nature any guidebook is out-of-date by the time it's printed. I do recommend this book if you are short on planning time, want just the basics, or want a quick summary on how to maximize your time at Sea World, Discovery Cove, Aquatica, and/or Busch Gardens. FYI, other chapters we personally didn't use were "resort hotels" and "adventure island" so I can't knowledgeably comment on them.

All of Monaghan's books are incredible! Detailed, interesting, and informative on every level. I've put together our itinerary for Sea World based on this book, even though it's three years old and out-of-date on a few things. He has more detailed recommendations for dining and shopping than the Unofficial Guide does, and excellent hotel recommendations, we've booked a hotel at a fifteen-minute walk away from SeaWorld recommended in this book. Also great because it also describes Busch Gardens, even though it's not mentioned on the cover, which I was having a hard time finding information on (outside the Unofficial Guide, which is also very good), and it also recommends hotels within walking distance. Monaghan's books are more detailed than the Unofficial books.

Contains some good information but it seems to be several years old. An update is needed as some things have recently changed in these parks.

Ok

Nothing fantastic but good information.

great product

I bought this book for my granddaughter and her family to let her know more about Discovery Cove as we are coming to Orlando in November from Australia and I was worried that there would not be enough to do apart from swim with the dolphins but there seems lots to see and do and I am now going to visit the park with them. Thanks. Pat

Clear, straightforward and concise guide to SeaWorld. Described everything accurately, very helpful to make touring more fun, and allow you to allocate your time so you can see what you wish to see. Had a great day at the park with it's help!
