Adventurers Wanted, Book 5: The Axe Of Sundering

Synopsis

The long-awaited final volume of the *Adventurers Wanted* series. Whalen Vankin is the world's greatest wizard, and he has only ever personally trained two other wizards. One is Alexander Taylor, a young man who has earned a reputation as a brave adventurer, a warrior, and a man of honor. The other is Jabez, Vankin's nephew and a man whose choices have led him down a different, darker path. Dark magic has covered Westland, and evil is stirring. Whalen and Alex must journey together into the heart of danger, confronting a sea serpent, battling their way through a goblin army, and facing down more than one dragon. Alex must find the legendary Axe of Sundering, the one weapon that offers a chance to defeat Jabez and protect the land from the dark wizard's plans. But finding it will be an adventure of its own as the only pathway to the Axe leads through the underground tunnels and secret passages of Castle Conmar. But Jabez has one final weapon at his disposal: the powerful Orion Stone, which could spell the end to Whalen and Alex both.

M. L. Forman lives in the western Rockies. He tries to write as much as possible while still attending to his many other hobbies, such as fishing, camping, hiking, and almost anything that will allow him to enjoy the magic of nature. He is also the author of *Slathbog's Gold*, *The Horn of Moran*, *Albrek's Tomb*, and *Sands of Nezza*--the first four books in the *Adventurers Wanted* series.

I usually don't post, but this is HUGE INFO. I wanted to share info on RELEASE DATE. I just called Shadow Mountain and was told M. L. Forman's Adventurers Wanted Book 5: The Axe of Sundering has a RELEASE DATE IN OCT 2017!!! CAN'T WAIT!!!!

The Author Experienced a Stroke and Was set back on his writing he has said that he hopes for it to be published sometime early next year. So do not fret it will be coming soon

Hay guys, Give Forman a break already! The guy has been really ill and is recovering from a serious problem, and people are crying because he is late publishing the book. You should be happy he is alive and around to get this next one out to us! Instead of complaining with the lateness of the publishing, wish M.L. Forman "speedy recovery", and be thankful you are fortunate enough to get the book in the near future. Just my point of view.

Absolutely love these books. Can't wait to read the next one, but wishing the author a speedy recovery and good health above all.
