# Delivering WOW: How Dentists Can Build A Fascinating Brand & Achieve More, While Working Less!

HOW DENTISTS CAN BUILD A FASCINATING BRAND AND ACHIEVE MORE, WHILE WORKING LESSI FORWARD BY DR. HOWARD FARRAN

BY DR ANISSA HOLMES

## Synopsis

If you are a dentist who wants to achieve more by working less and you struggle with building a winning team, growing your new patient numbers, and getting your patients to accept treatment, you're in the right place. If you want to learn how to use Facebook and other forms of social media to increase the ROI of your marketing campaigns, this book is for you. And if you're tired of feeling guilty, stressed out, and frustrated because you're trying to juggle too much, this book was created specifically to help you! Looking for a way to make your dental practice stand out? In Delivering WOW: How Dentists Can Build a Fascinating Brand & Achieve More, While Working Less!, Dr. Anissa Holmes reveals how you can build a dental practice that helps you grow your brand, attract more patients, and work less. The concept she shares in this book allows you to build a thriving practice in record time. Combining smart business practices with social media savvy, Dr. Holmes helps you build the practice of your dreams. She shares six key core elements as part of the Delivering Wow concept. When you implement each of these elements, your practice will stand out as unique and special in the minds of your patients, community, and others. Dr. Holmes shows how she grew her Facebook fan page to more than 50,000 likes â " and earned a whopping 1,500 percent return on advertising. She shares how she built systems to increase revenue by more than \$20,000 a month, earn 90 percent of the dayâ <sup>™</sup>s revenue by lunchtime, and much more. Start Delivering WOW!

As a dentist I have read many books telling the reader how to improve your business or practice. Unlike so many others, Delivering Wow - well, delivers! Dr. Holmes tells "how to" based on her actual struggles and successes in a way dentists can relate to. Each chapter is focused on a particular subject that relates to the whole in terms of developing and running a successful practice and business. You definitely come away with a workable blueprint of how to work on your business, not just in it. Sound, practical information is given that can be put to use immediately.

Dr. Holmes has beautifully explained and described using practical examples of how she has used the delivering wow strategies to grow her practice and ignite a revolution in the dental industry! This book is a must read for dentists and non-dentists because the strategies that she uses along with her genuine and authentic passion for success will make any business thrive and prosper!!!

If you want to stop winging it in your career of dentistry, and create a future of certainty and predictability, then read this book. And then re-read it. This book explains the true essence of the business of dentistry in a nutshell and that is to stop treating teeth and to start serving your customers. And serve them completely.

Finally a "How-To" from a dentist with proven success! I have enjoyed reading this book, which I must say was an easy read and never boring. The book is filled with loads of information that not only tells readers that she became successful but offers a road map as to how I as a new doc can do the same. I recommend this book to anyone looking to grow their practice but also learn the importance of customer service and its correlation to success.

Fantastic delivery by Dr. Holmes. I would recommend

As someone who is not in the medical field at all, perhaps I was not the core target reader.

However, the book touches on more than the business of dentistry and is a great resource for small business owners also looking to deliver Wow. It delivers a great message on managing and growing a business in a way that is easy to read and understand. Definitely worth a read.

Wonderful read & insightful! Great information on how to grow your business by tapping into your customer market and how to fulfill your purpose at the same time. This book certainly teaches the art of Mastering your craft!

She knows her stuff and is very willing to share. Give it a read and check out her podcast. I've found her Facebook material especially useful.
