A call to spread the gospel is one of the highest honors you can receive. But frustration can set in if you feel called to minister to those with whom you don't share a language. In an effort to address this, Mirna Deborah Balyeat's *Spanish With a Mission* seamlessly integrates teaching Spanish with gospel-oriented vocabulary and cultural insights. It provides an excellent resource for any individual or group looking to minister to Spanish speakers across the street or abroad. With a vocabulary of more than one thousand words focusing on the themes of family, home, classroom, food, clothes, body, city, the Bible, and witnessing, this guide lays a thorough foundation for basic Spanish conversation in an easy-to-follow format, with exercises to practice what you learn. Moreover, it includes vocabulary for medical applications, construction, agriculture and children missions, as well as Bible texts and Spanish worship songs. As a bonus, cultural notes with biographical information about Hispanic Christian singers are included so you can become familiar with current Christian artists and their songs. An easy-to-use glossary and Spanish-English dictionary are also included for reference. *Spanish with a Mission* provides practical tools that give the seeds planted on missions the greatest potential for growth. It will teach you Spanish to help you build relationships and communicate the Gospel. Spanish with a Mission is a wonderful resource to prepare you or your group for a mission opportunity to a Spanish speaking country. Deborah Balyeat has done a wonderful job of making this book relevant to missions and ministry needs, and very easy to use as a training tool for your team to prepare for their experience. I am grateful for the work and thought she put into this guide to help spread the Gospel of Jesus Christ. I hope you will consider this book for learning the language and the culture for your next mission endeavor to a Spanish speaking people group.

Short practical lessons mixed with cultural tidbits makes Spanish with a Mission the perfect language tool for Christians with a cross-cultural mission for learning Spanish. The need for conversational Spanish both in the U.S. and abroad is essential for building relationships and communicating the Gospel. Anyone with a desire to serve Hispanic people will find it easy to build vocabulary, learn verb tenses, and use idiomatic expressions in less than three months. Learning Spanish songs and being able to share a faith story in Spanish equips believers for ministry, witnessing, and mission trips.

This is the second time I will be teaching Spanish at my church Tri City Baptist Church in Chandler Arizona and I already feel far more prepared having your book and study guide which is exactly what I been looking for. Your book is an excellent Spanish guide for those learning the language with the ministry emphasis that you've given to it. I want to thank you for making this book to help those who want to encourage our English speaking churches to reach out to the Hispanics in the United States with the Gospel. So thank you for having the vision to provide us a tool that is so desperately needed.

AWESOME book. This is a great Spanish primer with common sayings and Christian songs, but also the basics of the Spanish language. The online audio is really helpful. I am learning Spanish along with my son. A **BARGAIN**. Includes conjugations, nouns, etc., and words not found in other Spanish curriculum that are pertinent to missions, words to relate faith and prayer. Just what we were looking for.

As a new Elementary Spanish teacher at a Christian school, this book and all the support that comes with it is invaluable. The website has great resources, songs and bible lessons in Spanish. I requested a free teacher's guide on the website and the author responded with a personal email and gave me more teaching tips. The book is laid out well, the lessons are easy to follow. It's perfect for a person or a group to use to prepare for a ministry trip in a Spanish speaking country. I lived in Latin America for 7 years and the cultural information is spot on. I am so thankful that Mirna Deborah Balyeat wrote this book because it's a huge blessing to me and I know it is and will be for many others.

This is one of the most effective tools for missions. I am planting a multicultural and multiethnic church, and Spanish with a Mission has become an evangelistic instrument to reach out to our community. Its lessons are useful and easy to teach, and students engage in every class. I do thank Deborah for putting all this material together for us.

A Wonderful resource for mission teams! Love the songs to share with children and the fact that they are accessible on the book's website!

facts and songs!
