## Customer Reviews

This book is written on a much younger level than teenagers unless the child does not read well. My 13 year old read it because I asked her to, not because it interested her. She came back to me with a list of everything that was wrong with it from the telling of the stories, editing errors, and the simple fact that it was for kids! I read it and found she was right except that it has so few pictures even kids would not like it. I found the text tiring after a while due to the boldness and boring way it is presented. While the idea of creating a book of Bible stories for teen girls was a good one I did not feel the carry through was successful. My kids read on a higher level than their peers because I

taught them to read by the time they were 4 years old. There were a lot of editing errors that should have been caught. I received this book free in exchange for my honest review.

Although I did like the ebook, I felt the drawings were geared more toward girls preteen or younger. There are several names you will recognize, and some you may not. This ebook is a good simple read with ideas to discuss with your daughter. Did your Mom and Dad know what your thoughts about issues? Even as adults, we do not know or understand the working of Our Lord. How much more confusing this has to be for a child. This is an ideal time to spend with your daughter to see what is going on in her life, where she is confused about things. Remember when you were a teenager? The thoughts that ran through your head? Did you think those thoughts were written in stone? Did someone sit down with you, like you are sitting with your child? Your daughter is a thinker, waiting for more to think about.

**JACOB, RACHEL, AND LEAH** The big love story which gives some good details. A clear and concise telling of this old story. After reading about them, I thought it was the best love story ever told, but seldom ever heard. Your daughter will be taken through some strong highlights of their lives. To include the seven long years Jacob worked for Rachael's hand, only to end up with her sisters, Leah. His anger is spoken of, at such a trick being played on him. To show the depth of his love, he works another seven years for Rachael's hand in marriage. Jacob and Rachel the story of a hard working man, who showed his love every day of his life, without wavering. But in the end: It all came to pass. Suggestion: Read a bit at a time, and talk about it then with your daughter. Let her express her thoughts, feelings about, love, marriage, and the love of a good man. This type of chat is good at almost any age for your daughter to understand - she has value.

**THE SLAVE GIRL AND HER MASTER** A leper named Naaman, was a great commander of the Army. He acquired a slave girl for his wife, and the girl mentioned she knew where to go to cure leprosy. Naaman ventured forth laden with, silver, gold, and fine clothes. The end of his trek was not as he expected. He was told, 'Go and wash seven times'. Follow the teachings and the lessons learned by this great man. Relate to your daughter, that just because a man has wealth and power, does not mean he will have all that he desires. The desires of Our Lord is far greater than our little wishes. Naaman, was looking for an instant cure and thought his wealth would buy that for him. He learned the value of a true lesson. Read how Gehazi enters the story and leaves as white as snow. He was taught a lesson as well.

**JESUS AND THE SAMARITAN WOMAN** Tired and thirsty, Jesus stopped by a well. The Samaritan woman approached, and he asked her for water. Jesus spoke to her of the living water. He told her he knows she has five husbands except for the one she was with now. He further tells her, 'I, who am talking to you, am He'. She told her family men what the

stranger had to say, and they wanted to hear for themselves. Jesus met the men with food for the soul. The men were convinced He was really He. A lot can be learned from a simple statement. The message does not need to be harsh to understand. Sometimes a child just needs an open teacher and honest communication. Mom, Dad, as your grandchildren are born - you will begin to understand how precious your time today with your child truly is. Children will repeat what they hear, so make sure you are a big part of what they hear. 'GOD.....THE LAMB', A tale of love, sacrifice. and Our Savior. God spoke, 'Abraham'. To show your love for God, sacrifice your son. And you know Abraham, the father, did not understand why his Lord would request such. Abraham loved his son, as God loves all His children. Abraham prepared for the trip up the mountain, as Issac carried the wood for his own sacrifice. God led them to the spot, where they built an altar of wood and sticks. Issac asked his father, 'Where is the lamb to sacrifice?' "God will provide'. As he binds the hands of his son, he lays him on the altar, takes his knife in hand, raises his hand high - and he heard a voice. God did provide because He the Father loved his son, Abraham, as the father Abraham loved his son Issac. A story of a man and his son. This man who loved his son with all his heart. Here you will get a glimpse of love, at its purest. Stories of love, man for children and wives, God for man, filled with chances to open dialogue in a safe and soft approach. There are results from your hard work, and He will recognize your name. PLEASE NOTE: A REVIEW IS MY OPEN AND HONEST OPINION. EACH PRODUCT IS TESTED AND I ADD PERSONAL EXPERIENCES. IN NO WAY OR AT ANY TIME HAVE I BEEN ENCOURAGED TO LEAVE A POSITIVE OR A NEGATIVE REVIEW. This ebook was supplied at no charge in exchange for a review.

Bible for teen girls : great Bible stories for teen girls. I received the kindle version of this book for free in exchange for my honest review. However, at the time of my review it is currently free to everyone. This story book has 4 different Bible stories within it. It starts off with the story of Jacob and Rachel. This story starts off fairly accurate, but it quickly goes into story telling mode when Jacob comes to a well that is covered with a large stone. The other shepherds say that the stone is too heavy to move and that all the shepherds are needed to move it so that they can water their sheep. Then when Jacob sees Rachel everything changes and instantly he seems to get superhero strength. Jacob fell so deeply, crazy in love with Rachel, that he walked over to that huge stone and rolled it away by himself. The rest of this story is for the most part Biblically accurate, but quite a bit of detail is left out. This is to be expected with a short Bible story book. This book contains quite a few pictures that take up entire pages. The next story is about a man who is

cured of his leprosy. This is probably the most accurate and complete story in this entire book. Naaman is a great commander for king Aram. Long story short his king wants him cured and he hears that there is a prophet in Israel, so he sends Naaman there to be healed. The ruler of Israel thinks he wants to start something and gets upset. Then Elisha the man of God hears about this and tells Naaman to wash in the river Jordan (that was not known to be a clean river). At first Naaman thinks it is too simple, and is upset, but then his servants remind him that if he was told to do something very difficult that he would, so he washes in the river and his leprosy is healed. The next story is about a man who is cured of his leprosy. This is probably the most accurate and complete story in this entire book. Naaman is a great commander for king Aram. I decided to write my review in the same style that this book was written in, including repeating a section. The next story is that of the Samaritan woman that Jesus met at a well. This is a nice short story that contains some good quotes from Jesus. My favorite one from this story is "the time will come when you will worship the Father neither on this mountain nor at Jerusalem. The time is coming, yes, has already come, when the true worshippers will worship the Father in spirit and truth; for such worshippers the Father seeks." The last story is that of Abraham when he was commanded by God to offer his son Isaac. This story starts off with the author of this story book's opinion. Here see what I mean "God loves us more than we will probably ever know. And there is not even the smallest smidge of bad in him God cannot do anything mean or evil. God could no more do anything evil than a banana could ride a bicycle. It's just impossible." I disagree that God can't do anything that is mean. At least according to my perspective some of the things that God did thru Jesus seemed mean to me. Like driving the money changers out of His temple with a whip. I'm not judging God's actions, but God's discipline seems mean at times. I hope that you enjoyed my review. if you found it to be helpful or entertaining please click yes, or no if you don't like it. Thanks for reading this. Oh and don't worry Abraham did not actually have to murder his son as a sacrifice, God provided a ram at the last moment.
