Lioness Arising: Wake Up And Change Your World

Synopsis

Awaken. The lioness rises from her slumber, a magnificent image of strength, passion, and beauty. Her mere presence commands the landscape, protects her young, and empowers the lion. In groups, lionesses become a creative and strategic force to be reckoned with, acting as one to change the world around them. You too are a lioness. In *Lioness Arising*, author and speaker Lisa Bevere offers the life and image of the lioness as a fierce and tender model for women. Revealing the surprising characteristics of this amazing creature, Lisa challenges women to discover fresh passion, prowess, and purpose. Learn what it means to be a stunning representation of strength, fiercely protect the young, lend your voice to the silenced, live in the light and hunt in the dark, and raise a collective roar that changes everything. Packed with remarkable insights from nature and a rich depth of biblical references to lionesses, *Lioness Arising* is a call for women to rise up in strength and numbers to change their world. Jesus is, after all, the lion of the Tribe of Judah. We are his lioness arising.

Lioness Arising is not for the fainthearted.

Itâ€™s a call to action for women to roll up their sleeves, get their hands dirty, and step into the pain of this world, bringing the healing touch of Jesus to those who are bruised, crushed, and broken. If youâ€™re tired of wanting what you donâ€™t have, and youâ€™re ready to invest your life giving what you do have, this book is for you.â€•â€”Marilyn Skinner, cofounder, Watoto Child Care Ministries

â€œLioness Arising shows Lisa Bevereâ€™s God-given ability to shed light on spiritual principles as she shapes a world where women rise up as the fierce and beautiful lionesses they were created to be.â€•â€”Christine Caine, director, Equip & Empower Ministries, and founder, The A21 Campaign

â€œLisaâ€™s unfolding revelation of the lioness is both timely and important. All over the earth, we are witnessing an emerging generation of bold, beautiful women of God. Not only this, but a pride of lionesses whose strength and confidence are being restored through the power of the Holy Spirit and the healing sanctuary of the church. Not a power-hungry woman, but a loving, nurturing woman who knows her worth and walks accordingly in the earth today. Not a timid, cowering creature, but a woman with a new song in her heart, a song of radical freedom in Christ. This courageous overcomer is the lioness arising. This compelling work is for every woman who longs to be the answer in the earth today. May you find your inner â€ˆgrowlâ€™ as Lisa leads you toward the Great Lion of Judahâ€”the original Aslanâ€”Jesus Christ.â€•â€”Chris Pringle, senior minister, C3 Church

â€œIn Lioness Arising, Lisa Bevere draws our attention to the natural fierce, protective aspects of a woman and demonstrates the power of women to battle for their destiny and the destiny of those they love. Let Lisa teach you how to operate in the power of Godâ€™s grace to pursue the â€ˆpreyâ€™ of disappointment and broken dreams and â€ˆembrace strength, develop courage, and effect change in the world.â€™â€•â€”Bishop Courtney McBath, senior pastor, Calvary Revival Church, Norfolk, VA

It is one of the most rewarding books that I have read. Lioness Arising helped me to re-focus on what is important to me and what matters the most to me. It's about knowing what we have on the inside of us. It doesn't matter what people see on the outside or what their perspectives of us are, as long as you know who you are and what God has put in you. It's time for women to stand up and be that Lioness that we were born to be.

Great book! So encouraging and inspiring. Just started reading this and I love it!! This book came recommended by some friends who have read it, and I can already see why. The author is a renowned author and speaker, and I really respect her and am thankful for her gift of teaching and writing. She has some other amazing books as well, such as Girls with Swords which I am also reading right now and would HIGHLY recommend.

Great book and an easy read.. Very motivating to rise up as woman of God and take charge of our territory. A great calling out to awaken us out of our slumber.

I can't seem to put this book down once I start reading it. I like the part also that God's whisper should not be taken lightly & should be recorded. This book truly encourages us to be unafraid & be bold to live the life that God has called us to live. We are lioness & we have a great destiny. ' & our Lion, our Lord Jesus is with us & ahead of us, He is our ultimate protector.

We did this video series along with the workbook at our church. It was one of the best we have done. Highly recommend.

When I picked up this book I just grabbed because it is by Lisa Bevere. I did not expect to have all the insight and wisdom in it. This book has caused a lioness in me to want to rise up to roar. to pick her head up and just strut her stuff, yet stay humble to God. Just be proud to be a Christian woman. To be unafraid to be herself. To be honest and open in front of the entire world. To throw off the chains of bondage of fear. Throw open the window to my soul to allow a fresh impartation of God in me.

A Christmas gift for my daughter and daughter in law. Both love it. My daughter posted quotes from it on her social media page!

Great book that starts waking up the lioness as you read.
