Pumpkin Recipes Don't Have To Be Made Only Around Halloween!: Keep This Cookbook Around All Year Long

Synopsis

Cooking with pumpkins used to be intimidating. I think it is safe to say that most of us enjoy carving the pumpkin, decorating it, and lighting a candle in it. We love decorating our house for fall and Halloween with them and having fun with the kids. But when it's time to cook it, dig the seeds out, and use it in recipes, it might not seem so exciting to some people. First of all, pumpkins are wonderful to cook with - they are very nutritious, and we will tell you how so in the next chapter, in detail. Also, they are not that complicated to cook. In addition, these days you can easily find pumpkin puree in the store that is totally acceptable to use in your pumpkin recipes. So, don't get scared - grab a pumpkin, or a can of pumpkin puree, grab this cookbook, and let this adventure begin.==> BUY THIS BOOK TODAY AND GET BONUS COOKBOOK INSIDE!!

Customer Reviews

There are many recipes worth trying. I hope to try them out this fall. I have always loved pumpkin in dessert recipes. It will be interesting to cook with pumpkin in savory recipes.

alot of the recipes are actually quite good.a few of the things did not look that good to me but for the most part this is a great cookbook:)
