Customer Reviews

Wendy Teasdill is an experienced yoga teacher and mother of three children. She has travelled widely - particularly drawn to the mountainous regions of the world - all the time practising meditation and yoga. She began to teach yoga in Hong Kong where she adapted her teaching to meet the individual needs of students who became pregnant.

Great book, lots of detailed descriptions for asanas and sequences.

A good reference. Loaned it to a student for her pregnancy, delivery, and post baby-hood. She appreciated it!
