## Customer Reviews

Patsy Clairmont is a popular speaker, a coauthor of various Women of Faith devotionals, and the author of such best-selling books as "God Uses Cracked Pots" and "Sportin' a 'Tude." She and her husband live in Brighton, Michigan.

My daughter-in-law has read this book to our new little bundle of joy and they have both enjoyed it. Hopefully, soon i will get to read the book as well. Looking forward to ordering more of Patsy

clairmont's books - just can't get enough!!!!

The pages were bent when I received it like it had already been used. Was going to use it for a baby present but didn't. Loved the book itself but had to buy a new one for the present.

Part of parenting involves nighttime routines and all that goes with it. Common are the dreamed up terrors that keep our little ones up at night. Shadows on walls turn into big scary monsters. Moon glow on tree branches becomes ghostly arms and fingers reaching out. Patsy Clairmont and Shelley Johannes have teamed up to help parents combat those nighttime disturbances. In a beautifully illustrated and softly rhyming verse, this book gently explains that the moon is there to quietly light the night. Mr. Moon and star friends, Paige, Ben and Boo come out each night to play and warm the night. Mr. Moon paints the dark sky and the star friends sparkle while the earth passes by. They all keep watch while children snuggle soundly in their beds. *Sleep Sweet My Little One* is sure to become a popular bedtime companion. Patsy's endearing writing style is soothing while it entertains and scatters the fears of little ones. The illustrations are done in a watercolor medium that just adds softness and tranquility to the story. This book is designed for children around the ages of one to four, but of course can be enjoyed as part of your nighttime routine with the whole family. I received a copy of this book to facilitate my review.

With the inevitable challenges of putting kids to bed at night, it's nice to have great resources to help with the process. Patsy Clairmont's *Sleep Sweet My Little One* is such a soothing rhyme that will help your littles drift off into dreamland. The sweet words coupled with the beautiful, not too bright, illustrations are great for bedtime! I love this sweet board book! It's a must have for your little one's library! Disclosure: I received a free copy of *Sleep Sweet My Little One* from Tommy Nelson in exchange for my honest review. All opinions are my own.

*Sleep Sweet, My Little One* is a large nighttime board book, with beautiful and imaginary illustrations. It really seems as if you've entered a little child's sweet dreams! I love to help turn my child's mind toward sweet thoughts before going to bed. This book is a wonderful way to encourage creative and lovely dreams.
