The English Proposal: Christian Victorian Era Historical (Window To The Heart Saga Book 1)

Synopsis

Surrender to destiny: a window to the heart opens, when one door closes. To follow the heart or the head – torn between two men – which future will Lady Margaret choose? Profoundly romantic and superbly riveting, *The English Proposal* explores the conflict between fulfilling duties and satiating desires. *The English Proposal* (Book 1). Sheltered on her family's country estate, Lady Margaret, the daughter of an English Earl, is betrothed due to a family promise. Although Henry, the Viscount Rolantry, has been her best friend since childhood and she is expected to marry him, she never felt butterflies until she meets the Duke of Witherton. Against her father's wishes, Margaret finds herself captivated by the forbidden duke. Caught between family loyalty and her own wishes, Margaret searches for a way to satisfy both her responsibilities and her longings. When tragedy strikes, Margaret finds herself seeking answers at church. But when she finally makes her choice, through her newfound faith, will she be able to live with the repercussions of her decision?

Window to the Heart Saga: a recountal of the epic journey of Lady Margaret, a young English noblewoman, who through many trials, obstacles, and tragedies, discovers her own inner strength, the sustaining force of faith in God, and the power of family and friends. In this three-part series, experience new places and cultures as the heroine travels from England to France and completes her adventures in America. The series has compelling themes of love, loss, faith and hope with an exceptionally gratifying conclusion. FYI: though a clean read, there are sensitive topics discussed and events which occur in this book. Customer Reviews

If you love English 1800 classics like *Pride and Prejudice*, *Great Expectations* or *Jane Eyre*, you'll love this novel! It captures you within the first few pages and does not have the cliché turns in a novel. Through the challenges, there is also a theme of hope that keeps rising. Highly recommended read that will make you not want to put it down!

If you are looking for the typical historical romance, this is not it. The story starts out in the traditional way, with the beautiful young heroine forced to choose between two rich, handsome suitors. There are the usual conflicts and setbacks along the way, but when the story seems to be leading up to "happily ever after", it takes a dark, unexpected turn. If I did not know that the story continues in the next book, so there is still hope for a happier ending, I would have put this book down extremely depressed. As it is, the characters and storyline are gripping enough that I bought the second book in the series as soon as I finished this one. Other thoughts: The protagonist, Margaret, is extremely young, sixteen years old, but this is definitely not a book for young adults because much of the subject matter is mature, although it is dealt with discreetly. There is a strong spiritual undertone in the book, and while it is not "preachy", the author leaves no confusion as to where she stands on salvation through Jesus Christ.

From the first moment to the last sentence, I found author Jenna Brandt's 'The English Proposal' such a multilayered, intriguing novel that I devoured this talented author debut work! This first book in the 'Window to the Heart Saga' was so compelling a read that I bought second book in the Window to the Heart Saga titled *The French Encounter* and look forward to completing this review so I find out what befalls Lady Margaret whom I fell in love with while reading the first of these Historical Christian Romances. If you're looking for a read that will transport you to another time, a

read where characters become more than they thought they could be when they give their lives to Christ, then add author Jenna Brandt's books to your Must-Read List! Paula Rose Michelson writes Inspirational Christian Romance, Psychological Suspense Thrillers, Nonfiction, Self-help, and works to encourage. Her Kindle eBooks & Paperbacks are available on .

LOVED this book. I got hooked on it and was done in about 6 hours. There is love in the book, real love. I enjoyed reading how the relationships blossomed. The intimate scenes were just that, very private and well written. Even though there aren't details during those scenes, the author was good at showing the depth of feeling the characters had for each other and letting your imagination work. The Christian vibe in the book is a nice change for this genre. It would be suitable for a preteen. There was just enough intrigue to keep you hanging on. Wonderful read. Can hardly wait for the next book!

I'm not usually a historical romance reader, but I was asked to read this by a friend. I'm glad I did. I was bothered by Margaret's apparent transformation of heart after one night with her husband, but overall the book was well written and sweet. It does not have a happy ending, so you should be prepared for that, but the author has three books in the series and I believe there will be a happy ever after in the end.

I loved this novel! It was refreshing to read a historical romance that did not make me blush and I would never be embarrassed to have it found in my home! So many historical romances are too raunchy to keep in your home to be accidentally found by children and grandchildren. I am anxiously awaiting the arrival of the second installment in the series! Only one week to go ...

This is a wonderful series that you are not going to want to put down. Once you think all the twists are over, another one occurs. Jenna captures the era that the series is in perfectly!!

I loved reading this book! It's a wonderful romance novel set back in time in England. One of the things I liked best about it was the author did a great job portraying the characters in a realistic manner. The many unexpected twists and turns she portrayed for Lady Margaret and those she loves definitely captured my undivided attention. I am looking forward to reading Part 2 of the series regarding Lady Margaret. I would definitely recommend this book!!!!
