Maui, Kakamora And Other Legends Of Oceania

Synopsis

Excited about the new Disney movie Moana? Want to know more about about Maui and how he pulled up the Hawaiian islands with his fish hook? How about Pele (Te Kā) the volcano goddess, a giant crab, and the not so cute little Kakamora? All are found in the legends and myths of the South Pacific, also known as Oceania. Maui, Kakamora and Other Legends of Oceania has stories and facts about these legends and more compiled from several books and sources. Note: This book is geared toward readers between 7 and 11 years old, depending on their reading level. The most difficult words are the "fun" Hawaiian names.
