Very happy

Buyer beware. This coloring book is...not good. They put all the effort into the cover and that's it. I

felt like I'd been had once I looked at the inside pages. None of the art inside resembles the cover, like at all. It's the very essence of false advertising. The art inside is cheap clip art. Not good. The makers of this book know exactly what they're doing. They're capitalizing off the "adult coloring book" craze by putting out a ridiculous knock off. I mean, guys, it's laughably bad. Don't wast your money like I did. At least I have a white elephant ready for my next holiday party.
