Customer Reviews

I bought the book because it was advertised in 4 languages, including English. However, there is English describing the symbols and miscellaneous other tidbits of information. However, regarding the text of the individual reviews, I couldn't find ANY English descriptions. The book is 640 pages, and from pages 91-600, there is NO English that I can find. For pages 1-91 & 600-640, 1/4 th or less are in English. This book is of no use to me.
