The Ten Commandments For Children

Synopsis

One of the most precious gifts anyone can give a child is to show that child the good and right way to live. The Ten Commandments were written down long ago to guide people in the choices they make. They speak of love and respect, of honesty and loyalty. These ancient sayings come from the Bible. For centuries they have been regarded as part of the world's heritage of wisdom.

Customer Reviews

Nice little book for my Sunday School students. Not quite what I wanted but is the only thing I could find for my age group.

"Show respect to your mother and father." "Do not be greedy." "Husbands and wives: keep your special love just for each other." This charming, kid-friendly translation of the Ten Commandments presents God-given "ancient sayings" that show us the right way to live. The warm, richly colored illustrations will delight kids and parents alike!
