Synopsis

Framed for the brutal murders of his classmates by the mysterious Red Man, middle school student Ganta Igarashi finds himself sentenced to death and sent to the bizarre and fatal theme park/prison that has risen from the ruins of the Great Tokyo Earthquake—a hell on earth known as Deadman Wonderland. Ganta and Shiro finally face off against each other inside a collapsing Deadman Wonderland. Shiro speaks of her past and how she's been wishing for Ganta to kill her. Ganta asks her why she killed his friends, but Shiro just pleads with him to make her wish come true. In the end, Ganta cannot bring himself to do it, and so the final battle begins.

I loved the Deadman Wonderland series, I only wish we could get more, to see what happens between Ganta and Shiro later on. The ending is pretty bittersweet but good, but as I stated before, I only wish it could continue just a little longer to explain how their lives go, and if they end up together. I can only wish the series are rebooted in anime form, or at least to continue the anime that was cancelled, but the latter would be more complicated since a major character never made an appearance in the anime.

Love it! This is my favorite amine/manga! The ending is just wonderful!!!!!!

it all ends with this one. vol 13 is the final volume of Deadman Wonderland. Shiro vs Ganta in the

epic finale. i got a little emotion in the end but loved every page of this series

Great final for this awesome manga, but i think everybody wants to what happen after shiro open her eyes. And the mother goose finally received what she deserved.

Loved how the seires ended and what lead up to it but wished the anime did the same

An amazing series, with lots of crazy twists & turns. I'd definitely recommend this manga to anyone, especially to someone who watched the anime.

Awesome ending to one of my all time favorite manga series. Highly recommend!
