Smith Wigglesworth (1859–1947) was born in England in 1859. Immediately after his conversion as a boy, he had a concern for the salvation of others and won people to Christ, including his mother. He became a plumber by trade, yet he continued to devote himself to winning many people to Christ on an individual basis. In 1882, he married Polly Featherstone, a vivacious young woman who loved God and had a gift of preaching and evangelism. It was she who taught him to read and who became his closest confidant and strongest supporter. They both had compassion for the poor and needy in their community, and they opened a mission, at which Polly

preached. Significantly, people were miraculously healed when Wigglesworth prayed for them. In 1907, Wigglesworth's circumstances changed dramatically when, at the age of forty-eight, he was baptized in the Holy Spirit. Suddenly, he had a new power that enabled him to preach, and even his wife was amazed at the transformation. This was the beginning of what became a worldwide evangelistic and healing ministry that reached thousands. He eventually ministered in the United States, Australia, South Africa, and all over Europe. His ministry extended to the time of his death in 1947.

Such wonderful insight from Wiggly Smith on operations and anointing of Holy Spirit. Believe it or not, this book actually, through the Spirit of God has delivered me from dipping tobacco. Smith goes into detail about in his experience, the anointing of the Holy Ghost not staying with people who drink liquor and smoke cigarettes, this brought to the forefront of my mind that maybe I haven't received all that the Lord has for me. Praise the Most High God for my deliverance!

When I received this book, I was very anxious to read and seek to know what Smith Wigglesworth thought as the Lord continued to anoint and use him in many ways as he travelled the world. There was such deep meaning and insight into each encounter that I never would have noticed had he not pointed them out. The scriptures came alive as Smith would tell what he saw and revealed the scripture on which he based his thoughts and teachings. With each page I grew more and more enthused with and excited over learning how to walk closer and closer to Jesus. I am thrilled with this book and Smith Wigglesworth's teachings. I would recommend it to anyone who hungers and thirsts for more of the Lord. I have not had one bad experience when purchasing books from .com.

I enjoy all of Smith Wigglesworth books, I wished I could have been in his time frame to have been a witness how he was used by God, Mr Wigglesworth was truly a man of faith and it's just wonderful how God used him, I do know, the same God then is the same God today. and he's still in the miracle business

Such a man of God. When the Lord got a hold of him He did some beautiful things. I love the passion Smith had for Jesus and his desire to always be in the Spirit. It seems that ordinary life did not get in his way and with his devotion to being in the Word to what some might think was excess, I think is awesome. You really can't go overboard loving Jesus and in Smith's life he did great things in a way of honoring God and after reading this book, it has given me a strong desire and thirst to

know God in such an intimate way and to please him with my life.

Smith Wigglesworth demonstrates what God can do through any person who chooses to believe His Word. A common working class man, when filled with the Holy Spirit and devoutly following and trusting the Word, documents some of his experiences in ministry as he travels around the world preaching the good news of Jesus Christ. His simple writing style and the obvious enthusiasm exuding from the author compels readers to reevaluate their level of faith and its integration and inclusion in their daily activities or interaction with others.

The anointing of God is His most precious gift to us once we become believers Smith Wigglesworth had an unusual anointing

Great book to read if you are interested in learning about the anointing of God in your life. Highly recommended by our family.

This book is considered by me to be faith leaper. It is a spiritual provokation to the doubting believers and the affirmation of A God who is still in the business of performing miracles.
