## Customer Reviews

We use a name like this when Cottage Door Press works together on a story. We choose a name that stands for "red bird," which is our cheerful little mascot.

My daughter loves this book. She likes to yell out "every body potties" on every page and it's actually psyching her for the potty training we'll be starting this weekend.

This is my sons favorite book to read while going potty. He's 2 and has it memorized so he "reads" it out loud to me while he poops. It's perfect!

Cute book with great pictures and nice rhyming story.

My daughter loves this book. Cute and super catchy too.

Super cute. Daughter likes it!

My son really enjoyed this book. Definitely one of our favorites when potty training. I love that it's well thought out and perfect in explaining the process to young toddlers.

This is an adorable little potty book.

Helps make potty training a little more fun...
