The Changeling (The Wormling)

Synopsis

“Nothing special” is the best way to describe Owen Reeder—at least that’s what he’s been told all his life. When a stranger visits his father’s bookstore, Owen’s ordinary life spirals out of control and right into a world he didn’t even know existed. Owen believes the only gift he possesses is his ability to devour books, but he is about to be forced into a battle that will affect two worlds: his and the unknown world of the Lowlands. Perfect for readers ages 10 to 14 who enjoy a fast-paced story packed with action, fantasy, and humor.

"Owen struggled to pull himself up but had to let go of a tree root to elude the rock. He began to slide over the side of the ledge, his body teetering. The cliff angled so steeply that he had to fight his way up or fall to his death." As Owen and Watcher continue their search to find the King’s Son, they encounter the Changeling—a creature with the ability to change into anything, even other people. Will Owen be tricked by the Changeling into leaving his mission? How can Owen know who to trust? Owen has always believed his only gift is his ability to devour books, but the battle he finds himself in will affect two worlds: his and the Lowlands. Come along with Owen as he continues his quest to

find the King's Son.

Jerry B. Jenkins, former Vice President for Publishing and currently Writer-at-Large for the Moody Bible Institute of Chicago, is the author of more than 150 books, including the best-selling Left Behind series. Sixteen of his books have reached the New York Times best-seller list (seven in the number one spot) and have also appeared on the USA Today, Publisher's Weekly and Wall Street Journal best-seller lists. Chris Fabry has written more than 50 books for adults and children, including the Red Rock Mysteries series with Jerry B. Jenkins and the Left Behind: The Kids series with Jerry B. Jenkins and Dr. Tim LaHaye.

I read this serie with my daughter, and we loved those books. The story is inspiring.

This is the best series Chloe has read. She looks forward to reading it before going to sleep. She keeps saying, just one more chapter!

Though I haven't yet read this book, the story has captured the imagination of my going-into-middle-school, non-reader son. That alone is high praise for the writing skills of the authors, with whom I'm familiar from other works they've done separately. Definitely a must-read for those young and old who enjoy the fantasy genre.

Another action packed adventure from Jenkins. Son kept the pages turning!

must get all. it is costly to buy all, but it is worth it. exciting adventure, very nicely written. it is written by christian authors but it doesn't sound like bible stories. I liked that the main character has to get courage or get encouragements from his friends to battle the enemy to get things accomplished.

The Changeling is a masterpiece allegory that has kept my five children interested and anticipating! This series is a great read aloud book for me to read to the group. I have enjoyed listening to their speculations of who they think is represented by each character. They beg me to keep reading each night. It is never a one chapter reading session with this book.

Love this series! Good versus evil. Great characters. The hero of the story is a positive role model with a great story to tell. Thanks for a a great read Mr. Jenkins and Mr. Fabry.

A great series!
