Customer Reviews

I really liked the authentic voice. I'm returning to Munich, and I thought I'd planned well and seen most of the highlights. Can't wait to get there and see the stuff I missed!

I loved this book. Marion really zero's in on the best things to do and places to go whether your trip is short, long or in between. I can't imagine how she ever became so knowledgeable and knows all that she does. This is a fabulous guide for anyone visiting Munich. Now I REALLY want to go there.

This is a well done and succinct book. I appreciated how quickly one could review the places to see. Good for a busy person.
