Wishing He Was My Savage 3

Synopsis

It's been said that when you love something it'll always return to you, but what happens when you aren't so sure you want it to return? What happens when you realize that love may not be enough? With Harlem gone in the wind, Ashleigh isn't sure that the love they share is enough to get them past the secrets and lies they both told. With so many questions running through her head Ashleigh doesn't know where to turn or who to turn to. With the backbone of the crew, Harlem missing without a trace, it seems like the gang is slowly falling apart. Houston was never the thinker, always one to act on impulse it doesn't take long for him to realize that he is out of his element. Adding insult to injury, the one person that should be in his corner is so stuck on her past that she has no time for her future. Though she should be on his side, Amanda can't focus on Houston because her mind is on the what ifs. Finally at a good place, her past storms in and ruins the plans she had for the future. Instead of letting go and enjoying life, Amanda makes a decision that sends her in a downward spiral that not even Houston can save her from. Will Amanda move towards the future or let her past swallow her whole? In this explosive finale, bonds will be broken and relationships will be tested. Will the crew come out on top or will Kennedy prove to be a bigger boss than her father?

I don't know where to start, from beginning to end you kept me intrigued.. Kennedy the way Koi did her was everything, I knew Loc and Amanda were just meant for each other, the way he loved her through her pain..Now Mannie he irked the hell out of me...Now Ashleigh boy did she boss up, the way she got her revenge on Dre was life, I was glad when Harlem finally laid everything on the table, and got his family back...Now Houston his ass just needs to grow up..Even though had us waiting, it was well worth it Great Job....

Trenae has done it again. This finale to Ashleigh and Harlem's story was great. I'm so glad they finally got it together. Amanda and Locyesssss because Houston was too childish. I love Malika, Feeva, Judge and Jury. Can't wait to read their story. Koi came along and fit right in. Who is the secret thug working for Harlem???

When I say I didn't see it coming like that. The situations all played out very well. You didn't need to ask for more. Trenae' gave you all the goods and even left you with a follow-up on our other characters. Awesome no need to spoilers go one click the series and feel where I'm coming from.

You never disappoint. I love the way this series ended. Harlem and Houston got exactly what they deserve. Bella was dropping some serious knowledge at the end which makes perfect sense in hind sight.
