Customer Reviews

This is an adorable book. It takes some of the Daniel Tiger episodes and puts them into short stories. Just like the show, it has vibrant pictures to keep your little ones attention. Overall, my daughter loves this book and its good quality. Cute gift idea.

Bigger than I anticipated! We literally have half the stories in paperback, but will retire them when she opens this on her birthday :) Great price!!

If you like the show, these are pretty much just those all over again. I try to sing the songs when I read.

This is a very high quality book, especially for the price! There are 12 stories and 100+ full color pages. I haven't timed it but they seem to take a little longer than 5 minutes to read. My daughter is a huge Daniel Tiger fan and we bring this book when we go on vacation. One book, 12 stories -- big win! Do not hesitate to pick this up if you have a DT fan at home.

My grandsons LOVE Daniel Tiger and this was a fun addition to their libraries.

If your kids love Daniel, this is a must.

My kids love it, several books in one.
