AWESOME!!! Something for EVERYONE!! Whether you are not a Christian, "saved", not sure if you are, a recent or more recent Christian, up to a very mature Christian, physically young or old, ect!! Guys can benefit from even also! :-) A day of this "devo" is longer than "Jesus Calling", DEF longer than "Our daily bread" ect! But shorter, less time-consuming than a Beth Moore devo (such as "Breaking Free" which is DEF AWESOME for sure, also!! Bless her!!). Which makes it ideal for/as: a devo to do on the fly yourself, with others during a time in which you have very little time (such as in college around finals, ect - ESP so if you get "behind" the others it's easier to get caught up/for sure possible to!!), struggle with focus (have ADD, ect - although don't limit yourself and what God can empower you to do FOR SURE!!! As God IS GOD after all!!! And through His strength we CAN do whatever HE wills us to!! So if He wants us to do something, He will enable us to do it if we let Him/seek Him, His strength, help and do it!!), are starting out and feel led to "start small"/on the "shorter" side BUT wish something "meaty" still/to satisfy our spiritual "hunger", "thirst"!! Out of Love for Him and for my sister's IC (in Christ!), however, wanna share quick how much it

blesses/helps/satisfies, fills me ~ with Him, His Love, light, joy, peace, strength, direction, and MUCH more (NO LIMITS or words could convey fully!!) to ALWAYS READ HIS WORD/WORDS/the BIBLE EVERY DAY WHEREVER HE LEADS, NO MATTER WHAT!! And THEN in ADDITION (NOT SUBSTITUTION) read whatever else (devo, ect)!! :-) I pray HIS BEST for you, for us all!! THANK YOU SO MUCH(!!) to: God!!! (to Him is the glory in and for all good things!!), the author(TY for allowing God shine through you and your writing!!), and also (for selling it)!!

Absolutely amazing book! I am 21 years old, and even though this is technically for high school girls, I got a ton out of it! It covers a lot of major issues in a biblical way, without being too "preachy". Marjorie is a couple years younger than I am, so it was nice to have a devotional written by someone who is going through the same season of life as I am. What I liked about this book is that each day is long enough that it covers everything it needs too, but not too long that you have to cut a whole chunk out of your day to do your quiet time. I really struggle with doing quiet times, and this book made it so much easier for me to get in a routine. Each chapter ends with a daily challenge that is attainable and relatable without being cheesy or too "kiddy". I also loved that if you don't have your bible on hand, the verses are actually written out in the devotional, so you can still follow along! This book is for "baby" Christians, non-Christians, people stuck in their faith, not sure where they are in their faith, or anyone who just wants a new devotional! You won't regret your purchase!

Marjorie Jackson is brilliant! Wonderful artist and heart for the Lord. A great example to young girls/teens/young adult women everywhere.

Marjorie is so incredibly talented! This book is a testament to God's greatness. I love the colouring pages! God has gifted Marjorie with incredible wisdom and an amazing ability to communicate that wisdom to others in such a caring and thoughtful way.

I LOVE this devotional!! It's perfect for every girl of any age! The author conveys her love for Jesus and her fire for the Gospel is contagious! It's a must read! Also makes a perfect gift!

I'm not sure whether I should recommend this book or not. I am also not sure if it deserves 3 or 2 stars. I would like to give it 2.5 stars, but since that's not possible on Goodreads, I went for 2. I'm not happy with this book and its message. First of all, because it recommends resources that support Young Earth Creationism. Well, I shouldn't have been surprised because Marjorie Jackson is an

acquaintance of the Duggar family and they are conservative fundamentalist whatever. And there was a big focus on evangelization. The style of writing was quite preachy at times and the author quite often came across as precocious. Which was a little funny in my opinion because I am older than she is and it was hard for me to take her serious because she wasn't always convincing. It sounded like she was repeating what her parents/church elders etc. said. A few chapters also felt like she just rewrote chapters from her first book, *The Greatest Book You've Never Read*. However, I liked the idea of a coloring devotional. The handlettering pages were gorgeous and if this had been a coloring book, without the text, I would have given it five stars. And some chapters did contain useful advice and helpful questions for reflection. I think that girls with similar beliefs like the Duggars and the author might really enjoy the book. It was just not for me, and I could never recommend a resource that supports Young Earth Creationism.
