True Purity: More Than Just Saying "No" To You-Know-What

Synopsis

Purity. What exactly is it? According to bestselling authors Hayley and Michael DiMarco, purity is far more than abstinence from sex or other sexual activities. It's not about rules. It's not a list of don'ts. It's not about scare tactics, teen pregnancy statistics, or warnings about STDs. And it's not ruined the moment we mess up. It goes way deeper than that. In their honest, down-to-earth style that teens trust, Hayley and Michael explain that purity starts in the heart and involves every thought, desire, and action--not just sex. They show that purity isn't just for the superspiritual, but that it is a daily choice that every teen must make. And most importantly, they show teens that it's never too late to become pure and that lost purity can be redeemed through God's grace.

Customer Reviews

This book was insightful and helpful. Although the target audience is teens and young adults, I found many nuggets just for me--well past my teen years! If the "purity movement" annoys you, but you want to raise your kids or yourself to walk in obedience to God, this is the book. It covers all the topics.

Excellent book for a parent with a preteen child - boy or girl. It will help you to focus on overall purity and living a life that glorifies God rather than just the sexual side of purity.

I think this is a wonderful book for any young person to read. It's different from all the other purity books but in a good way! I learned a lot and hope and Pray that I will remember what I learned and use it to grow in my relationship with Jesus Christ!!! SO I hope this book Blesses you like it did me! :)

My pastor taught from this book at bible study and recommended us to read it. Once I ordered and begin to read I was blown away at how wrong I was about what purity meant. I highly recommend it for every the newly saved and mature saved individuals. Great read!!

If you want to start from scratch on how to teach young people about integrity and loving God, this is the book.

LOVE!!!! Can't wait for my kids to read.

This book needs to be on every adults bookshelf. Outstanding and challenging, I used it for a recent young adult retreat, they devoured the book!! Go get it, it's well worth the money and time.

This is a great book that clearly defines purity & how to live it out in our daily lives. It is definitely written for younger people (which I am not!), but the principles apply to believers of all ages. A great book for parents to read in aiding them to influence their kids toward purity, and a great read for young teens. (Start young with this topic!)
