Customer Reviews

Richard L. Daft, Ph.D., is the Brownlee O. Currey, Jr. Professor of Management and Principal Senior Lecturer in the Owen Graduate School of Management at Vanderbilt University, where he specializes in the study of leadership and organization theory. Dr. Daft is a fellow of the Academy of Management and has served on the editorial boards of Academy of Management Journal, Administrative Science Quarterly, and Journal of Management Education. He was associate editor-in-chief of Organization Science and associate editor of Administrative Science Quarterly. Dr. Daft has authored or co-authored 13 books, including The Executive and the Elephant, Organization Theory and Design, and Management. He also has authored dozens of scholarly articles, papers, and chapters, and he has published in the Administrative Science Quarterly, Academy of Management Journal, Academy of Management Review, Strategic Management Journal, Journal of Management; Accounting, Organizations and Society, Management Science, MIS Quarterly, and Organizational Behavior Teaching Review. Dr. Daft has received several government research

grants in organization design, organizational innovation and change, strategy implementation, and organizational information processing. An active teacher and respected consultant, Dr. Daft has served as associate dean and helped manage a start-up enterprise. He has been involved in management development and consulting for numerous organizations, including the American Banking Association, AutoZone, Bridgestone, Vulcan Materials, TVA, Pratt & Whitney, Allstate Insurance, State Farm Insurance, the United States Air Force, the U.S. Army, Central Parking System, USAA, Bristol-Myers Squibb, and Vanderbilt University Medical Center.

This textbook is a requirement for a Contemporary Management Theory class that I am taking. I am in the first couple of chapters and so far I am enjoying the material. Very good examples shared to explain the content and the professor loves this edition. My only knock is around the price. \$300+ for a book? Come on.... I was able to find it a little cheaper because it was used but these crazy prices are really hurting students.

It is the correct book, but the title "used very good" was very incorrect. Would've rather spent the extra \$30 then have a book with water/coffee damage throughout.

I rented this book on for \$43 dollars plus tax for my Business Management Online Class. And I found it very engaging and easy to read. Besides that the condition of the book was excellent. It was new besides being rented. I loved it, and I was satisfied with the purchase I made.

Product delivery fast and as advertised

Great product.

Awesome!

I loved the way every chapter of the book evolves. The information and tables are amazing. Easy to use for the seasoned professional.

was in great condition for school
