Product Dimensions: 9 x 6 x 1.3 inches

Shipping Weight: 1.7 pounds

Average Customer Review: 4.4 out of 5 stars 3 customer reviews

Best Sellers Rank: #2,229,669 in Books (See Top 100 in Books) #82 in Books > Travel > United States > Oregon > General #4770 in Books > Travel > United States > West > Pacific #9247 in Books > Self-Help > Relationships > Love & Romance

Customer Reviews

If you're on the lookout for the ultimate places to smooch with your sweetie, look no further. Laura Kraemer and Linnea Lundgren have found, through diligent research--well, someone had to--more than 800 pucker-worthy places throughout Oregon, Washington, and British Columbia. Using privacy, ambience, and location (or view or setting) as their criteria, they rate each spot for its romantic appeal, and include that more pragmatic, if not very ardor-inducing, factor of price for the restaurants and lodgings they include. Best Places to Kiss in the Northwest is functional as a regular guide as well, because while not every day is full of lust and roses, a B & B that is kiss-worthy when you're in the mood can also be charming and lovely when you just want to hold hands and enjoy the scenery.--Stephanie Gold

As the contributing editor for "Oregon" on Suite101.com, I'm always on the lookout for great books about Oregon. Best Places to Kiss in the Northwest is great for what it includes and should probably be broken into three separate books so that more places in Oregon, Wasington, and British Columcia can be featured.I agree wholeheartedly with the picks included. There are just so many

great restaurants and B and B's that are missing. An entry in Bend, Oregon states that Bend is known better for outdoors kissing spots than cozy restaurants, yet I can name Kayo's Dinner House, Le Bistro, and McGrath's Fish House right off the bat that are left out. In addition, I don't know if this would be considered a best place to kiss in other people's books, but growing up in Bend, the two best kissing spots were on top of Pilot Butte (might be closed to cars now) and Pioneer Park. Neither were included. In Washington, Centralia's got a very cozy B and B I'd love to go back to visit (no Centralia entries) and Ocean Shores isn't even mentioned. That said, the most annoying factor of the book is its organization. Within each section, (e.g., Vancouver and environs) towns are listed all higgledy piggledy! Ladner comes after West/North Vancouver, which is followed by Tsawwassen, then Point Roberts. It took me longer than it should have to find what I was looking for. The write-ups are fair and show little bias. It is very journalistic, without any real personal stories. I really wanted to know why each spot was chosen. What's there is good and even great for some areas. It's too bad there are gaps.

From the Oregon Coast to the Sunshine Coast of British Columbia, my wife and I have relied on previous versions of this book. In every case, the B&B's have been accurately reviewed and the restaurant choices top notch. You can trust this book.

This is a terrific travel guide for true romantics. I have used it on many trips and have never been disappointed. A great companion book to take along is *The Romantic's Guide: Hundreds of Creative Tips for a Lifetime of Love*.
