Customer Reviews

This is an awesome book which talks about the real values and purpose of Christian Music, how different types of music affects different individuals differently, what makes a song Christian or Worldly and what should our opinion of a song be based upon. Overall it is very refreshing and thought-provoking.

This book is a must-read for Christian music leaders, singers and musicians. Thoroughly enjoyed it. It is a very interesting and very eye-opening book.

Did not care for this book. Was a bit confused on what the author was trying to prove.
