Newfoundland And Labrador Book Of Everything: Everything You Wanted To Know About Newfoundland And Labrador And Were Going To Ask Anyway

Synopsis

From the number of kilometres of coastline, to the stories behind those unusual place names (hello Blow Me Down) to profiles of Danny Williams and Mary Walsh, no book is more comprehensive than the Newfoundland and Labrador Book of Everything. No book is more fun. Well-known Newfoundlanders and Labradorians weigh in on a whole range of subjects – Mark Callanan tells us his five favourite Newfinese words; weatherman Bruce Whiffen reveals his Top 5 Newfoundland and Labrador weather stories and Gerald Squires shares his Top 5 memories growing up on Exploits Island. Stories of the First People, the worst weather, Newfoundland and Labrador slang, the Newfoundland moose ... Itâ™s all here! Whether youâ™re a lifelong resident or visiting for the first time, there simply is no other book that delivers the goods. If you love Newfoundland and Labrador, youâ™ll love the Newfoundland and Labrador Book of Everything!

Customer Reviews

"The Books of Everything are going to be a big hit.Â This type of book is long overdue and I wish I had thought of it first.Â There are thousands of interesting facts and stats about Newfoundland and Labrador for visitors and Newfoundlanders alike."Â —Janice Wells, travel writer"Looks at everything from weather, food, place names, slang, and crime to how much money Newfoundlanders and Labradorians make. Profiles of Mary Walsh, Edwin Pratt, and the Crosby dynasty are delightful."Â Â —Michelle Stewart, The Aurora

Martha Walls is a history professor based at St. Francis Xavier University.

A rather loosely put-together compendium of facts about NL. Found it to be like reading a list. Some interesting information that proved useful for my first visit to see friends who live there.

Fun trivia, but not what I needed to feel ready to know the culture of Newfoundland for a visit.

I would give this book to someone from Newfoundland & Labrador as a gift. It is chocked full of interesting tidbits about the history of the area and the current status. I purchased it because books on travel to the province are scarce and unfortunately, this one is not helpful in planning our trip. It certainly does not claim to be a travel book, I was just hopeful.

This is a small, pocket sized guide to Newfoundland. It is easy to use and covers a wide range of topics.

This book is helpful for the tourist, there are some neat things to see here in Newfoundland. The tourist will find people helpful and friendly, just as the guide says. However, moving here from elsewhere in Canada, or elsewhere in the world is very different. The outsider who settles in Newfoundland will always be an outsider. There is a very strong them and us, mentality and you will never be one of them.

Bought this as my wife is from Newfoundland. Lots of fun facts. Planning on trip soon. Would recommend to anyone.
