Customer Reviews

An internationally recognized dance educator, Jacqueline M. Smith-Autard is currently pioneering the use of multi-media resources in dance teaching. She has also published The Art of Dance in Education.

This book is great! From the first page down it helps you out in easy to follow guides. As you read it you are already getting different ideas for your choreography. It gives you graphics, pictures, info from the simplest thing to the most complex(music, solo, group, idea, etc). Must read for any choreographer out there!
