Crius And The Night Of Fright (Heroes In Training)

Synopsis

Zeus and the Olympians head to the Peloponnese to save Apolloâ [™]s twin sister, whoâ [™]s under a sleep spell, in this Heroes in Training adventure.Zeus and the Olympians are off to find Apolloâ [™]s twin sister, Artemis, who was captured by the Cronies and separated from her brother. But Titan Crius, who rules the area, has Artemis under a special spell that is making her sleep, which doesnâ [™]t make a rescue easy! Can the Olympians manage to sneak away from Crius and his pesky Pandiâ "warriors with ears that can hear for milesâ "and save a sleepy Artemis, or are they in for a tough awakening?

Joan Holub has authored and/or illustrated over 140 childrenâ [™]s books, including the Goddess Girls series, the Heroes in Training series, the New York Times bestselling picture book Mighty Dads (illustrated by James Dean), and Little Red Writing (illustrated by Melissa Sweet). She lives in North Carolina and is online at JoanHolub.com.Suzanne Williams is the author of over fifty books for children, including the Goddess Girls series, the Heroes in Training series, and the award-winning picture book Library Lil (illustrated by Steven Kellogg). She lives outside Seattle, Washington, and is online at Suzanne-Williams.com. Together, Joan and Suzanne write the Goddess Girls, Heroes in Training, and Grimmtastic Girls series.Craig Phillips has been creating cover art and drawings for books, comics, and magazines for nearly two decades. He is most at home working on tales about myth and magic. His latest bookâ "Giants, Trolls, Witches, Beasts: Ten Tales from the Deep, Dark Woodsâ "is a 200-page graphic novel about just that! It will be in stores in May 2017. When he is not drawing and writing, he likes to swim in the lakes and walk in the forests and mountains of New Zealand. Visit him at CraigPhillips.com.au.

Crius and the Night of Fright 2> 2> Come on, guys. Run for the hillslâ • Ten-year-old Zeus yelled to the eight Olympians around him. He looked behind him. Some Croniesâ "half-giant soldiers in King Cronusâ [™]s armyâ [™]were charging toward the Olympians across the plains. â œWhere are you tasty tidbits going, Snackboy?â • one of the Cronies called out as they stomped toward Zeus and his friends. Anger rose inside Zeus. It seemed like they couldnâ [™]t go anywhere without the Cronies finding and threatening to gobble or clobber them. Ares, the god of war, ran up next to him. His red eyes were blazing. â œThere are only six of them, and nine of us!â • he said. â œWe should stop and fight!â • â œThevâ [™]re five times as big as we are, and ten times as strong!â • Zeus reminded him. â œDo the math.â • â œBut we have powers!â • Ares argued. â œItâ ™s too risky,â • Zeus said. â œltâ [™]s my job to keep everyone safe. I say we hide in the hills up ahead and figure out our next move.â • Pythia, the Oracle of Delphi, had told Zeus that he was the leader of the Olympians. Ever since then, he felt responsible for their safety. Unfortunately, they were usually in danger, so the responsibility was a huge one! For some reason, King Cronusa "a Titan almost as tall as the hills up aheadâ "and the other Titans wanted to do away with them. Zeus hadnâ [™]t even known he was an Olympian until the Cronies had captured and taken him to Cronus a while back. Zeus smiled to himself, recalling how heâ [™]d rescued five Olympiansâ "Hades, Poseidon, Hera, Demeter, and Hestiaâ "by making the king barf them up from his belly! Ever since then, Pythia kept appearing to them in a hazy mist to send them on quests. She gave them hints that were not too helpful (her foggy glasses sometimes meant things got lost in translation), but they always managed to figure them out just in the nick of time. And only a short time ago, she told Zeus that the Olympians Cronus had barfed up were his brothers and sisters! They had also found three more Olympians on their journeys: Ares, Athena, and Apollo. Together, the nine Olympians had fought monsters, battled Titans, and been chased by countless Cronies. And this quest was no different. Pythia had sent them to find yet another Olympianâ "Apolloâ ™s sister, Artemis. Sure, it had been smooth sailing at first. Theyâ [™]d left from the new city of Athens, crossed the Gulf of Corinth, and

landed safely. But then the Cronies had pounced. Hearing a shriek, Zeus looked over his shoulder. It was a Crony shrieking in pain. He had made a grab for Hestia! Luckily, she had thought fast. Sheâ ™d used her magical objectâ "a torch that could create fire and send it anywhereâ "to lash back at him. Safe now, she was catching up to the Olympians again. â œlâ ™ll get you for that!â • yelled the Crony. He and his half-giant buddy charged closer and closer. Their muscled chests were bare. Some of them had tattoos or beards. Each carried a shield and a weaponâ "either an enormous club or a sharp sword. Basically, they were scary-looking! â œlf we can make it to the hills, we might lose them! a • Zeus shouted toward the others. The rocky hills ahead were filled with cracks, caves, and crevices: the perfect cover for small Olympians to hide from half-giant Cronies. â œHa-ha! No way! You canâ ™t escape us, Olympians!â • one of the Cronies growled. And then another sound filled the air. â œYow!â • It was Poseidon yelping in pain. He had tripped over his tridentâ "a three-pronged magical weapon that looked sort of like a pitchfork. Now he was sprawled facedown in the dirt. Demeter guickly stopped and reached out a hand to help him up. Poseidon tried to stand. He winced and then fell right back down. â œl think I did something to my ankle, â • he said. â œYou guys need to keep going!â • Demeter paused, her eyes filled with concern. â œGo!â • Poseidon velled at her. â œNo! Not without vou!â • Demeter cried. The other Olympians hadnâ ™t even noticed that Poseidon was down. Zeus waved Demeter on and doubled back toward his brother. Unfortunately, one of the Cronies got to Poseidon first. The half-giant grinned a cruel smile. He raised his club above his head. â œNo! Leave him alone!â • Zeus bellowed in a voice like booming thunder. A surge of panic flowed through him. There was no way he could get there in time! He grabbed the lightning-bolt-shaped dagger that hung from his belt. He had found Bolt, one of his magical objects, in the temple at Delphi where heâ [™]d first met the Oracle. It had been the beginning of his epic quest to gain power for the Olympians. Once drawn, the dagger immediately sprang to its full size a "five feet long a "and gleamed in his hand. He raised his arm, holding it skyward as a terrible anger filled him. â œGet the Crony!â • Zeus yelled, hurling Bolt in the half-giantâ [™]s direction. Zap! Bolt shot forward and struck Poseidonâ [™]s half-giant attacker. The Crony flew backward, slamming into the Crony behind him, who slammed into another behind him, knocking them down like dominoes. At the same time, dark, angry storm clouds that mirrored Zeusâ [™]s anger gathered in the sky above them. A storm wind whipped up out of nowhere. Lightning streaked down from the clouds, sending the Cronies scattering. Meanwhile, Demeter and Hades returned to grab Poseidon. They each lifted him up by one arm and helped him limp away. They and the other Olympians stared at Zeus, wide-eyed. It seemed like he must be causing the storm. But he didnâ [™]t notice. More anger filled him, darker and blacker. The fury of the storm grew blacker too. Bolt had returned to Zeus and he held Bolt above him as the wind whipped around him.

Great series

My nearly nine year old is in the process of transitioning to the Percy Jackson series, but we LOVE Heroes in Training. He has read them all, and it really encouraged an interest in mythology! Great series!

My son (age 9) and I love this series for bedtime reading. While fewer truly amazing things happen in this one, it's definitely worth buying.

Great for my 8 year old grandson. He is a real follower of Greek mythology and has enjoyed this whole series

Any book (or series) that my son enjoys reading is a plus in my book (forgive the pun).

My son loves this series. He is 8

Krios is spelled that way not like crius. When is lapetus captured and what and Kios not cius why like that

My 10 year old son loves all the books in this collection.
