The Bible According To Spike Milligan

Synopsis

'And God said, Let there be light; and there was light, but Eastern Electricity Board said He would have to wait until Thursday to be connected.' There have been many interpretations of the Old Testament over the centuries but never one quite like this. Spike Milligan has rewritten, in his own inimitable style, many of the best-known stories of the Old Testament, featuring characters like King 'my brain hurts' Solomon; the great oaf of a giant, Goliath; and the lesser-known crossword clue, Hushai the Archite. Believers and nonbelievers alike will enjoy this hilarious reworking, where the jokes, jests and jibes tumble over each other from chapter one, verse one until kingdom come.

Book Information

Audible Audio Edition

Listening Length: 2 hours and 52 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Penguin AudioBooks

Audible.com Release Date: October 6, 2016

ASIN: B01LXOO6BI

Best Sellers Rank: #62 in Books > Audible Audiobooks > Humor > Parodies #314 in Books > Humor & Entertainment > Humor > Religion #1037 in Books > Science Fiction & Fantasy > Fantasy > Humorous

Customer Reviews

I am a long time American Milligan fan. I had to give up my book collection of his memoirs, poetry and Goon scripts when I had to suddenly move to assist my aging parents and I couldn't afford to take them with me. Recently I needed a Spike fix. I found this book was available used/cheap and so I took the gamble. I couldn't have been more pleased! I am a non-practicing Jew, so the Bible is not something I have read. This is the way to do it! I admit there are many British references I don't get, but that's a small price to pay for a hearty laugh!! I miss you Spike and hope Heaven is a better place having you there!

i found it getting silly.... downhill..

Hilarious at times, but also tiresome. Latterday Milligan still has moments of brilliance.

As described

Actually, if you have read the original, you would be at a loss to say which is loonier. Believe it or not, some of the most bizarre bits are just elaborated on, and not made up.

very nice book, If I didnt read the real, I can trust and belive to this one :)))

very nice book, If I didnt read the real, I can trust and belive to this one :)))
