# Immigration And Refugee Law And Policy, 5th (University Casebooks) (University Casebook Series)

## Synopsis

Since its initial publication in 1992, this casebook has been adopted at 172 U.S. law schools. It mixes theory, policy, and politics with practice-oriented materials that deal in doctrine, planning, and problem-solving. The authors make heavy use of policy analysis, fact problems, and simulation exercises. The new edition replaces the combination of the 4th edition and the 2007 Supplement. It incorporates the sweeping changes of the past two years. Highlights include: The various elements of comprehensive immigration reform. New policy materials on the immigration debate and official English A revamped chapter on undocumented immigrants, including a new section on the desirability and constitutionality of state and local interventions New developments on workplace raids, employer sanctions, and E-Verify Expanded coverage of legalization New disciplinary rules for immigration practitioners Analysis of the recent criminalization of immigration law Updates on gender-related persecution, FGM, and China's one-child policy Discussion of the narrowing of the social group definition by the BIA and the courts EOIR controversies regarding consistency, independence, politicized hiring, and streamlining The Supreme Court decision in *Boumediene* and its implications for the plenary power doctrine New developments on same-sex marriages The new labor attestation procedures for H-2As and H-2Bs New scholarship on citizenship and the rights of LPRs The Attorney General's *Compean* decision rejecting a constitutional right to effective counsel The material support for terrorism exclusion Expansion of the visa waiver program The Attorney General's *Silva-Trevino* decision on moral turpitude crimes The Supreme Court decision in *Nken* on stays of removal pending judicial review New case law on judicial review of denials of continuances and motions to reopen Emergence of the fugitive disentitlement doctrine barring judicial review The Supreme Court decision in *Nekusie* on the duress exception to the persecutor exclusion .

## Book Information

Series: University Casebook Series

Hardcover: 1434 pages

Publisher: Foundation Press; 5 edition (July 9, 2009)

Language: English

ISBN-10: 1599416131

ISBN-13: 978-1599416137

Product Dimensions: 10 x 7.6 x 2.4 inches

Shipping Weight: 6 pounds (View shipping rates and policies)

Best Sellers Rank: #216,486 in Books (See Top 100 in Books) #42 in Books > Law > Administrative Law > Emigration & Immigration #2444 in Books > Textbooks > Law

## Customer Reviews

Got the book in. It was the supplement. They announced it as if was the complete book. Be sure of specifics or false advertising. I got fooled.

Generally this book was easy to read and very informative. It is however, full of the history which is great if it was meant to be a history book. All in all though it was a very helpful book.

It is clear enough as to what the book is trying to get you to learn. There are a bit too many useless articles about what someone thinks of a certain immigration policy. Some are okay but there are a few too many in this one. Just ignore them and don't read them like I opted to do.

Ok

The book's condition was according to description.

Thanks

The editors/authors make no attempt to present a "neutral" perspective. The notes are heavily editorialized-- which is a big deal because the notes make up most of the book. Like the previous reviewer remarked, the cases are very choppy-- seemingly so the editors ensure readers reach a particular conclusion. There are some law review journals sprinkled in, and occasionally the editors include more than one article on the same topic to present a range of perspectives--but generally, the articles that differ from the editors' perspective are so extreme-- essentially purporting that anyone who disagrees is ridiculous and has illogical and unfounded opinions. I don't necessarily disagree or agree with the authors' perspectives, but, as a law student, I'd prefer the opportunity to explore multiple angles of an issue and draw my own conclusions.

Very complete  
Good quantity of cases developed  
Main judicial ideas and concepts are included  
It is easy to understand and follow
