## Customer Reviews

Ballet has never been fancier! Fancy Nancy loves going to ballet class with her best friend, Bree. But when she realizes that her dad and the rest of her family have a lot to learn about ballet, she has a fabulous idea! What if she opened her own ballet school?

Jane O'Connor is an editor at a major publishing house who has written more than seventy books for children, including the New York Times bestselling Fancy Nancy series. She resides (that's fancy for lives) with her family in New York City. Robin Preiss Glasser actually wore tiaras and tutus when she danced with the Pennsylvania Ballet. Now she happily spends her days in

jeans, drawing. She has illustrated many acclaimed picture books, including the bestselling Fancy Nancy series. She won the Children's Choice Award for Best Illustrator of the Year for Fancy Nancy and the Mermaid Ballet. Robin and her family live in Southern California.

Both of my grandkids (boy 5 1/2 and girl 2 1/2) are enjoying this book. I really like the illustrations and I think the kids like Nancy teaching her Dad. My granddaughter is in a ballet class and likes hearing about the positions she is learning in class. My grandson is interested in everything. I bought this book because it's about ballet. I hadn't read any Fancy Nancy before and probably avoided them because I want to encourage my granddaughter to be a strong girl, avoiding princess themes. This book surprised me and I have since bought another Fancy Nancy. She is girly, but strong..

Such a cute book. My 4 year old thinks Nancy is very funny. This book has subtle lessons about a family's love and respect for Nancy and where she is in her life at that particular time. I will be buying more Fancy Nancy books!

Daddy and the family learn about ballet from Nancy, the young daughter. I chose this story because my four year old great-granddaughter had begun ballet lessons. She and her Daddy are one another's favorite playmates and he easily adapts himself to her fantasies. They read the book together and she became Daddy's ballet instructor as they repeated the basic foot positions. Sometimes he is a fancy-hatted guest at her tea-less tea parties.

Cute. My little friend enjoyed it so much!

my granddaughter is taking ballet lessons and loves this story

Wonderful book

A very cute story, perfect for my niece's ballet party.

I bought this for my little granddaughter who takes ballet. She loves all things ballet, and I have read this one and many other ballet related stories to her without end. I highly recommend it for little ballerinas.
