As Silver Refined: Answers To Life's Disappointments

Synopsis

What Can You Do When Life Doesn't Turn Out Like You Planned? How do you respond when your husband or wife tramples your emotions? When your boss fires you unexpectedly? When you lose your life's savings? When the child you've loved and prayed for turns his back on you and your values? When disappointments like these smash their way into your life, you may want to scream, "How could God let this happen?" But what if God didn't just let it happen? What if the things you call disappointments are really His appointments? Events He is using to make you more like Christ? What if your circumstances are actually the flames of His grace, intended to melt and burn away the undesirable elements in your life, leaving you pure and radiant like refined silver? You can be defeated by life's unavoidable disappointments, or you can become stronger because of them. Life's disappointments can send you on a dangerous downward spiral into discouragement, depression, or even despair. But in this eye-opening book, Kay Arthur guides you to biblical truths that will help you break that cycle and instead embrace disappointment as the cleansing fire God uses to make you "as silver refined" a reflection of His goodness. Now includes a 16 week Bible study!

I love anything written by Kay Arthur!

Kay Arthur studies are always challenging. I'm still working through this, I purchased it on my Kindle and with the study section in the back of the book, it's hard to go back and forth. I also would have preferred a hard copy of the book for journaling, but the content is just what I needed for this time in my life.

Amazing book everyone going through hard times for encouragement and heavens perspective.

This book will challenge your thinking. I love the way Kay explains things. My idea of Who God truly is has expanded even further! I may just read it thru again after I finish the study questions which are optional.

This book is great for a bible study. It makes you look at life's disappointments as His appointments.

You know that God has your best interest at heart. God has a plan for your life.

Wise words from scripture for handling life's hard circumstances and disappointments..

This study by Kay Arthur has been beyond expectations, as we have done other of her studies. Cannot say enough good about the positive results from just the first two chapters so far. We intend to go slower in order to fully digest all that is pointed out from the Word and to implement this in our personal lives. Amazing choice!

This all of our stories, with all of the hurt and confusion and right down in the gutters of life where we cry out to God. Kay is a gifted teacher, her God is a healer and sustainer. This is not a lecture to pick yourself up by the bootstraps, this a walking out and true healing from God.
