# The Treasures Of Darkness: When What Was No Longer Is

## Synopsis

Has there ever been a time in your life when you had to leave everything you have ever known and rush headlong into something not known, not wanted by you? At such times, all of us experience deep fears, doubts, and horrifying anxieties. We don't know which way to turn. All we want to do is go back to what was and no longer is. Mourning is a non-illuminated place. We don't want to experience it, especially for long periods of time. It's the blackest of black, the darkest of dark, and the gravest of grave. It is a place most of us would just as soon not visit. But if we don't go there – and allowing ourselves to go there is a choice – then we would never experience the rich treasures embedded within its solemn dreariness.

## Book Information

File Size: 1034 KB

Print Length: 110 pages

Simultaneous Device Usage: Unlimited

Publisher: Ambassador International (July 22, 2017)

Publication Date: July 22, 2017

Sold by: Digital Services LLC

## Customer Reviews

Excellent book for spouses who have lost their partner. Thankfully, I still have mine, but I have bought and given away 10 copies of this much needed book to friends who have had to grapple with this loss.
