Biblical Greek Survival Kit

Synopsis

Equip your students for success in first year Greek, and save them money! Assign the Biblical Greek Survival Kit as a supplemental 'text' for your course and give your students the tools they need. This value-priced kit (\$8 less than items purchased separately) includes: * Basics of Biblical Greek Vocabulary Cards --- this set contains all words occurring in the Greek New Testament more than 15 times as well as all vocabulary from the book of 1 John. * Basics of Biblical Greek Vocabulary Audio CD (also in mp3 format) --- with all the words contained in Basics of Biblical Greek, in chapter order. * Zondervan Get an A! Study Guides: Biblical Greek --- all the noun and verb paradigms they need to know all in one handy place.

Make no mistake this was worth the money I paid for it. It saved much needed time on notecards

and they were legible and correlated with the chapters...mostly. Right away one will notice a discrepancy between chapter 1 and the audio order, and more fatally between chapters 35 & 36's vocab. 35 was completely missing from the ordered by chapter portion of the cards and instead 36 replaced it. I found several of 35's vocab (chapter unlisted) buried within the mountain of extra cards covering the rest of the vocabulary. This oversight severely undercut studying for my finals when I finally realized I hadn't been studying an entire chapter's worth of vocabulary and is just plain sloppy. Again, this is an excellent resource, but why was the audio and vocabulary cards not properly synced and why was an entire chapter's worth of vocabulary lost amongst the mountains of others rather than being neatly organized like the rest?

It was a good product which is helping me study. I like to listen to the pronunciations and type them out on word. Sometimes in the beginning, I could not hear the words with the sound quality of the files. It could have been a touch better. I also like the cue cards, although I wish they had been in plastic so that they would not bend as easily. They are very helpful nonetheless. Thanks so much overall, it is a great idea, and the box it came in was pretty cool.

Mounce is Fantastic! The easiest, best Greek course I know of. He combines a systematic approach with traditional approach that has made this very popular. You have to learn vocab, there's no way around it. For the \$18 this costs, it's not worth making your own cards. Additionally it comes with a handy little parsing guide, and a CD that says the words in Greek. Please note that the book, CD, and flash cards DO NOT ALWAYS AGREE (usually book has more definitions). Seems like a small thing to remedy, maybe in the next edition.

My husband loves this product.

I am just getting started in my quest to learn Biblical Greek, I think the materials included in this kit will be most helpful in that quest. These items compliment Mounce's book "Basics of Biblical Greek".

need all items to study greek. if use them you will. as a matter of fact all of mounce's books and the survival kit is a help. i did not take greek in seminary that was years ago. now i am a retired hospital chaplain and pastor ect. this is not an easy task. if read mounce was he has to say go back and get english basics. you must have a very good unstanding. don't give up...onemwa

Great for anyone wanting to learn Biblical Greek! The author does well in giving the reader the basics and developing them throughout.

If you are a student learning Koine, this is a MUST! No ifs, ands, or buts! I played the CD constantly in my car, took 30-40 flash cards with me everywhere I went--and the study sheets were so helpful. This is the smartest purchase you can make to make your life easier in seminary. Plus, it's great to help you stay fresh on your Greek while out of school.
