Superman Adventures Vol. 1

Synopsis

Based on the beloved animated series "Superman takes flight! Superman: The Animated Series was an instant classic, developed by the same team behind the beloved Batman: The Animated Series and featuring some of the greatest Superman adventures ever committed to film. Dive back into the world of Superman: The Animated Series with this collection of comics, featuring the iconic cast and some legendary creators! SUPERMAN ADVENTURES VOL. 1 collects #1-10 and features stories by animated series co-creator Paul Dini (BATMAN: MAD LOVE) and acclaimed comics creator Scott McCloud (Understanding Comics, Zot!) and gorgeous animated-style art from Rick Burchett (THE BATMAN ADVENTURES). SUPERMAN ADVENTURES is the perfect book for Superman fans of all ages!

Customer Reviews

Scott McCloud has been writing, drawing, and examining comics since 1984. Winner of the Eisner and Harvey awards, his works have been translated into more than sixteen languages. Frank Miller (Sin City, 300) called him "just about the smartest guy in comics." He lives with his family in southern California. His online comics and inventions can be found at scottmccloud.com.

Please update the description of Volume 1. This book contains Issues #1 -10 and is much shorter than described online. The description lists Issues #1 - 20, which is way off. Overall this is a good book with high gloss pages unlike the Batman Adventures volumes which consist of pages similar to the Sunday paper. Please do not mislead buyers with incorrect information.

Really nice for kids and adults. Scott McCloud "Understanding Comics Art" has his understanding on fine display, and I can share the book with my little ones as a nice break from chapter books with a character they came to know from Cartoon Network's Justice League. At the time when this book came out, oddly, it may have been the best Superman comic on the stands with exceptions like "Superman: For All Seasons" coming along, I believe, far later in its run. A nice palate cleanser from the chic doom and gloom that overtakes way too many comics, where sometimes (not always) the grit is just a substitute for storytelling chops.

Mark Millar, and other fantastic talent that was unappreciated at the time, make these long out of print stories absolutely fantastic. If you were one of the many Timm-verse, animated DCU fans, you will enjoy this. I loved Superman the Animated Series, and the Bruce Timm designs, which sadly usually suffers from lack of attention due to the shadow of the equally awesome but infinitely more popular Batman the animated series. Well, we're finally getting these stories, old fans! Enjoy, as intended.

Felt like I was watching Season 4 from the Animated series! My 10 year old and I can read it together and I appreciate that. Thank you!
